Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

Section 1: Requires the Department of Health (DOH) Medical Quality Assurance Commission (commission) to define in rule postgraduate medical training program requirements.

Sections 3-4: Requires the commission to establish in rule qualifications for approving applications based on exceptional education, training, and practice credentials.

For the purpose of this fiscal note, the department estimates the staff costs to be minimal. The staff-time to implement the changes, including updating any rules, policies and procedures will be accomplished by existing staff within their normal workload.

No fiscal impact.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

NONE

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.

Part III: Expenditure Detail

Part IV: Capital Budget Impact

NONE

Part V: New Rule Making Required

Identify provisions of the measure that require the agency to adopt new administrative rules or repeal/revise existing rules.

Department of Health (DOH) Medical Quality Assurance Commission (commission) will develop rules as necessary to implement this bill.
