Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe, by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

Note: This fiscal note reflects a revision to the revenue discussion, and supersedes fiscal note number 1054-1.

This bill provides a sales and use tax exemption on the sales of diapers. Diapers are defined as an absorbent garment worn by humans to assist with those who have trouble controlling their bladder and bowel movements.

The bill takes effect 90 days after final adjournment of the session in which it is enacted.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

ASSUMPTIONS

- Effective date is 90 days after session, which is August 1, 2018.
- 10 month cash collections for Fiscal Year 2020.
- Sales tax exemption will not cause people to change (increase) their buying behavior.
- The price of diaper products will increase 2% per year.
- Prices of products available on commercial websites accurately reflect real-world prices for these products.
- Diaper definition includes reusable cloth diapers.
- 95% of children between 0 -3 years old use disposable diapers and 5% use cloth diapers.

FNS060 Local Government Fiscal Note

Part IV: Analysis A. SUMMARY OF BILL

Provide a clear, succinct description of the bill with an emphasis on how it impacts local government.

This bill would provide a sales and use tax exemption on the sales of diapers. Diaper is defined as an absorbent garment worn by humans to assist with those who have trouble controlling their bladder and bowel movements.

This bill would take effect 90 days after final adjournment of the session in which it is enacted.

B. SUMMARY OF EXPENDITURE IMPACTS

Briefly describe and quantify the expenditure impacts of the legislation on local governments, identifying the expenditure provisions by section number, and when appropriate, the detail of expenditures. Delineate between city, county and special district impacts.

This bill would have no impact on local government expenditures.

C. SUMMARY OF REVENUE IMPACTS

Briefly describe and quantify the revenue impacts of the legislation on local governments, identifying the revenue provisions by section number, and when appropriate, the detail of revenue sources. Delineate between city, county and special district impacts.

This bill would decrease local government revenues by an estimated \$10.3 million in the 10 months of impacted collections in Fiscal Year 2020, and by \$13.0 million in Fiscal Year 2021, the first full year of impacted collections (Department of Revenue).

ASSUMPTIONS:

- -- Effective date is 90 days after session, which is August 1, 2018.
- -- 10 month cash collections for Fiscal Year 2020.
- -- Sales tax exemption will not cause people to change (increase) their buying behavior.
- -- The price of diaper products will increase 2% per year.
- -- Prices of products available on commercial websites accurately reflect real-world prices for these products.
- -- Diaper definition includes reusable cloth diapers.
- -- 95% of children between 0-3 years old use disposable diapers and 5% use cloth diapers.

METHODOLOGY:

The distributions in this note for cities, counties, and special districts are based on DOR data for local sales and use tax distributions from Calendar Year 2015. Mitigation payments and distributions to hospital benefit zones are not factored into this distribution. This results in a distribution of 34.03 percent to counties, 32.74 percent to cities, and 33.23 percent to special districts.
