Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.*

Creates the "Purple Star Award" to recognize military friendly schools that show a commitment to students and families connected to the military. Schools that earn the award will receive a special purple star recognition to display on site.

The bill lists criteria for receiving an award.

The State Council, created in RCW 28A.705.010 Article III(A), is required to create a simple application for districts to submit for consideration of an award.

The Purple Star Awards are to be awarded every two years, beginning in 2020.

The bill does not require districts to apply. Therefore no required impact on districts. Districts may have discretionary costs to maintain eligibility and to apply for the awards.

II. B - Cash receipts Impact

*Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.*

II. C - Expenditures

*Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.*
