Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

Section 1(7) of the bill would allow a person 21 years of age or older to produce or possess no more than six marijuana plants on the premises of the housing unit occupied by the person. A person 21 years of age or older would also be able to produce or possess the marijuana produced from no more than six plants if grown by the person on the premises of the housing unit occupied by the person.

Section 1(9) states the Liquor and Cannabis Board (Board) has no authority or responsibility to investigate or enforce requirements in subsection (7) or (8) of this section. Therefore, this bill has no fiscal impact to the Board.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

Per the Liquor Control Board revenue forecast, there is no fiscal impact to the Washington State Department of Health. In the event revenue is negatively impacted and reduces funds that are allocated to the department, the department would require a reduction of effort in the program.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.
