II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

SB 5706 creates the community reinvestment account and allows the account to retain its earnings from investments.

II. B - Cash receipts Impact

Distinguish between one time and ongoing functions.

Projected cash flows are currently unavailable; therefore, estimated earnings from investments are indeterminable.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

This bill intends that in order to address racial, economic, and social disparities in communities across the state created by the historical design and enforcement of state and federal criminal laws and penalties for illegal drug sales, possession, and use in Washington state, aggressive approaches and targeted resources to support local design and control of community based responses to these outcomes are required.

Sec. 2. (k) amends RCW 69.50.540 by establishing a transfer of funds in the amount of \$125 million from the Dedicated Marijuana Account into the Community Reinvestment Account for the Department of Commerce to establish a cannabis equity grant program. The transfer begins in fiscal year 2023 and is to continue each fiscal year thereafter. This amendment does not have a fiscal impact on the Liquor and Cannabis Board (Board) as it is assumed the amount of the transfer will only reduce the amount available to be appropriated and transferred to other accounts outlined in subsection 2 of the RCW.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

There is no fiscal impact to the Washington State Patrol (WSP) as there is no anticipated change in services.

Section 2(1)(k) transfers funds from the dedicated marijuana fund account into the new community reinvestment account starting fiscal year 2023, to be appropriated by the Department of Commerce to establish a cannabis equity grant program.

Section 3 creates the community reinvestment account.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

None.

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.

The WSP Marijuana Enforcement Team (MET) is funded by the dedicated marijuana fund account. We anticipate this transfer of funds into the new account will not effect MET services.
