Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

Section 1 - It is the intent of the legislature to make technical changes to replace the term "marijuana" with "cannabis" throughout the Revised Code of Washington. The legislature finds that the use of the term "marijuana" in the United States has discriminatory origins and should be replaced with the more scientifically accurate term "cannabis."

Section 46 affects RCW 66.08.050.

Sections 51-111 affect RCW chapter 69.50 (where the cannabis licenses are located).

Section 168 requires the Washington State Liquor and Cannabis Board ("Board") to use expedited rulemaking to replace the term "marijuana" with cannabis" throughout Title 314 of the WAC.

This version (1210 2SHB) makes the following changes:

- Amends the current versions of several sections of the Revised Code of Washington that include the term "marijuana" and were amended during the 2021 legislative session by unrelated legislation enacted into law.
- Retains the provisions of the substitute bill that passed the House in 2021, including:
 - o (1) the legislative intent
 - o (2) the provisions replacing the term "marijuana" with the term "cannabis" throughout the Revised Code of Washington
 - o (3) the provision requiring expedited rulemaking by the Washington State Liquor and Cannabis Board to change terminology in agency rules
 - o (4) the provision providing that the term "marijuana" as used under federal law generally refers to the term "cannabis" used throughout the Revised Code of Washington, and
 - o (5) the other technical changes.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.

INFORMATION TECHNOLOGY DIVISION:

There will be onetime costs to implement the bill as all public facing sites, systems, and service will need to be modified to remove the word "marijuana" and replace it with "cannabis."

Vendor costs to modify the iSeries and Enforcement Notebook: \$5,200

IT staff time: to modify internal reports and the ArcGIS application: 0.1 FTE IT App Development - Senior /Specialist - \$15,242 (\$15,135 salary/benefits, \$107 in associated costs).

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Briefly describe by section number, the significant provisions of the bill, and any related workload or policy assumptions, that have revenue or expenditure impact on the responding agency.

This bill makes a technical change to the Revised Code of Washington (RCW), replacing the term “marijuana” with the term “cannabis.” Several of the amended chapters have RCW descriptions in the Department of Corrections (DOC) Offender Management Network Information (OMNI) system, including:

- Section 3 amends RCW 9.94.041.
- Section 87 amends RCW 69.50.4014.
- Section 114 amends RCW 69.51.060.
- Section 122 amends RCW 69.51A.060.

Section 171 states section 87 of this act will expire July 1, 2023.

The effective date for sections 3, 114, and 122 is assumed to be 90 days after adjournment of session in which this bill is passed.

II. B - Cash receipts Impact

Briefly describe and quantify the cash receipts impact of the legislation on the responding agency, identifying the cash receipts provisions by section number and when appropriate the detail of the revenue sources. Briefly describe the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explain how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.

None. All impacts are General Fund-State.

II. C - Expenditures

Briefly describe the agency expenditures necessary to implement this legislation (or savings resulting from this legislation), identifying by section number the provisions of the legislation that result in the expenditures (or savings). Briefly describe the factual basis of the assumptions and the method by which the expenditure impact is derived. Explain how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.

We assume this bill will have a one-time fiscal impact to Department of Corrections (DOC) of less than \$50,000 per Fiscal Year (FY).

This bill changes the term “marijuana” to the term “cannabis” throughout the Revised Code of Washington (RCW); including four RCW that are described in the Offender Management Network Information (OMNI):

- 9.94.041(1) – Possession of Controlled Substance, Alcohol, Marijuana, Other Intoxicant, Cell Phone or Other Form of Electronic Telecommunications Device.
- 69.50.4014 – Misdemeanor-Possession of Marijuana
- 69.51.060 – Medical Marijuana Fraud Record
- 69.51A.060 – Medical Marijuana Fraudulent Records

Updating these RCW descriptions will require DOC Information Technology (IT) staff to make updates to the RCW detail table in OMNI.

The one-time estimated IT staff hours, and costs, to complete these updates are identified in the below table :

IT Application Development | \$120 per hour x 60 hours = \$7,200
IT Quality Assurance | \$120 per hour x 20 hours = \$2,400
IT Business Analyst | \$120 per hour x 10 hours = \$1,200
Total One-Time IT Staff Costs in FY2022 = \$11,000 Rounded

IMPACTS ON PRISON AND JAIL BEDS

This bill replaces terms in the RCWs and does not have any impact on beds.

Part IV: Analysis

A. SUMMARY OF BILL

Provide a clear, succinct description of the bill with an emphasis on how it impacts local government .

The proposed legislation would replace the term “marijuana” with “cannabis” throughout the RCW and WAC.

Section 1 would specify that the bill is technical in nature and no substantive legal changes are intended or implied.

Sections 2 through 167 would replace the term “marijuana” with “cannabis” in all applicable RCWs.

Section 168 would direct the Liquor and Cannabis Board to use expedited rule making under RCW 34.05.353 to replace the term “marijuana” with “cannabis” throughout Title 314 WAC.

B. SUMMARY OF EXPENDITURE IMPACTS

Briefly describe and quantify the expenditure impacts of the legislation on local governments , identifying the expenditure provisions by section number, and when appropriate, the detail of expenditures. Delineate between city, county and special district impacts.

The proposed legislation would have no impact on local government expenditures.

The potential fiscal impacts of this bill on local governments would likely come from updating county and municipal codes as well as licensing documents containing the term “marijuana” to contain the term “cannabis” instead. Both the Association of Washington Cities and the Washington State Association of Counties, however, indicate that this work could likely be accomplished within existing resources where required.

C. SUMMARY OF REVENUE IMPACTS

Briefly describe and quantify the revenue impacts of the legislation on local governments , identifying the revenue provisions by section number, and when appropriate, the detail of revenue sources. Delineate between city, county and special district impacts.

The proposed legislation would have no impact on local government revenues.
