## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section (5)(a): A contract between a cannabis processor and a cannabis retailer for the purchase and sale of cannabis products:

(i) May allow the cannabis retailer to tender full or final payment to the cannabis processor on a date after the date the cannabis products are delivered to or received by the cannabis retailer; and

(ii) Must require the cannabis retailer to tender full or final payment to the cannabis processor on a date not more than 15 calendar days after the date the cannabis products are delivered to or received by the cannabis retailer.

Section (5)(b) This subsection applies to contracts entered or renewed on or after the effective date of this section.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

No fiscal impact to the agency. The agency assumes nonpayment would be handled in the same manner as currently done in the liquor industry. In the liquor industry, the Enforcement Division only follows up on nonpayment issues when an additional violation is associated with the nonpayment. Complaints that do not involve additional elements are not handled by the Liquor and Cannabis Board.
