## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The bill amends RCW 4.24.130 expanding those who may request a name change and where a name change may be sought – expanding it to any district court or superior court in the state.

Section 4 allows name changes to be heard in any superior court or district court in the state and expands who many request a name change. It also allows litigants to request to seal and open sealed name change files without a judge making a determination on a litigant's safety when considering sealing a name change file.

### II. B - Cash Receipts Impact

#### IMPACT ON COUNTIES

FY 2024 and ongoing: \$168,700

Based on name change case filings in superior courts for the past five years (2018 – 2022), there were an average of 190 filings per year. This judicial impact note assumes the number of filings would increase by twice that number, an additional 380 filings per year.

Each filing would incur a name change fee of \$203.50 authorized under RCW 36.18.010 and a standard superior court civil filing fee of \$240; for a total of \$443.50 additional cash receipts from each filing. The revenue would stay with the counties; no distribution made to the state. The cost of transmitting the order to the county auditor is assumed to be variable county to county and not included in this estimate.

### II. C - Expenditures

#### IMPACT ON THE ADMINISTRATIVE OFFICE OF THE COURTS (AOC)

FTE: 1.0

FY 2024: \$50,000 one-time staffing

FY 2024: \$32,700 ongoing salary and benefit costs of superior court judges

#### AOC STAFFING ASSUMPTIONS

Business Analyst. Beginning July 1, 2023 through June 30, 2023, AOC would require salary, benefits, and associated standard costs for 1.0 FTE to define requirements, configure statewide court systems to implement the new fees, update system documentation, and complete system testing.

#### AOC PAYS SUPERIOR COURT JUDGES

With an increase in name change case filings in superior courts, this judicial impact note assumes the number of filings would increase by an additional 380 filings per year. This would increase the number of hearings in superior court. The AOC pays 50 percent of the salaries and 100 percent of the benefits for superior court judges.

#### IMPACT ON COUNTIES FROM ADDITIONAL FILINGS

FY 2024 and ongoing: \$107,800 estimated for superior court judges' salaries, superior court and county clerk staff, and operational cost:
