Bill Number: HB 1321 HCA Request #: 23-034

Part II: Narrative Explanation

AN ACT Relating to extending the expiration date of the ambulance transport fund; amending RCW 74.70.901; and providing an expiration date.

II. A - Brief Description of What the Measure Does That Has Fiscal Impact

Sec. 1. RCW 74.70.901 and 2020 c 354 s 13 are each amended to extend the expiration date of the ambulance transport fund to July 1, 2028. This would continue the current program as it is.

II. B - Cash Receipts Impact

The ambulance transport fund is funded through a provider quality assurance fee (QAF), which is used to increase reimbursement rates by application of an add-on to ambulance transport providers (ATP). The Washington State Health Care Authority (HCA) has used the bill defined effective state medical assistance percentage to approximate the Federal Medical Assistance Percentage (FMAP).

Assumptions:

- Fiscal year 2022 data was received from the providers to estimate future provider data.
- Medicaid total transports used to calculate the add-on rate is from SFY 2019 and this rate is unchanged.
- 10% of the assessment is meant for health care coverage for Washingtonians and the costs of administering the program.

| II. B - Estimated Cash Receipts to: | | | | | | | | | | |

II. C - Expenditures

HCA requests \$20,128,000 and 2.0 Full Time Equivalent (FTE) staff in the 2023-25 Biennium. Of these amounts, \$19,911,000 is needed cover the cost of the transport add-on, and \$217,000 is needed for administrative costs including:

- 1.0 FTE Medical Assistance Program Specialist 3 (MAPS3) to prepare documents for federal
 approval, serve as a liaison to the Centers for Medicare & Medicaid Services (CMS), provide
 program oversight and implementation, engage in provider training, provider relations and
 stakeholder communications, develop rules, process provider invoicing, and inform policy
 decisions.
- 1.0 FTE Fiscal Analyst 4 (FA4) to process fund receipts from providers and to maintain oversight of the fund.

After accounting for HCA's administrative costs, \$641,000 of ATF remains for health care coverage for Washingtonians during the 2023-25 operating budget.
