Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1 amends RCW 36.22.179 removing the spelling of numerical amounts and replaces them with the numeric form. This section also removes the requirement for the Department of Commerce (department) to retain at least 45% of funding for the use of private rental housing payments.

Section 2 amends RCW 43.185C.060 removing the requirement for the Office of Financial Management to review the use of the funds used in this bill.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

There is no fiscal impact to the department from the legislation in HB 1367. The purpose of the bill is to remove funding requirements to reduce the level of administrative burden community organizations have in administering these funds. This bill will decrease administrative workloads by requiring less documentation for use of funds.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 2 (4) removes the requirement established in 2018 for OFM to secure an independent expenditure review of state funds received into the Home Security Fund account. OFM did not receive funding to conduct this review and therefore, the removal of this requirement has no fiscal impact.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

Sec. 1 (1) (b) (ii) (A) amends RCW 36.22.179 to remove one requirement of how the 87.5% of homeless housing funding is used. Homeless housing funds may continue to be used for private rental housing payments, but there would no longer be a requirement to dedicate 45% of the funding to private rental housing payments.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

The legislation would have no impact on local governments' expenditures because the legislation would not cause counties to change how they currently distribute homeless housing funds.

According to Washington State Association of Counties, counties dedicate far more of their funding than the currently required 45% to rental vouchers for homeless households to be used to pay rent in private units. These funds will not be moved to other programs because that would mean homeless households currently using these vouchers would lose their services.

Because the legislation would not change how counties use their homeless housing funds, the legislation has no impact to local governments' expenditures.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

The legislation would have no impact on local governments' revenue because it will not change the amount of funding counties receive from homeless housing funds.
