Bill # 1155 HB

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

This bill adds a new chapter in Title 19 RCW relating to the collection, sharing, and selling of consumer health data.

II. B - Cash Receipts Impact

None

II. C - Expenditures

No fiscal impact is expected to the Administrative Office of the Courts and the courts.

The amendment would give consumers more protections over their health data by having more disclosures in regulated entity's privacy policy and requiring consumer consent regarding collection, sharing, and use of data. The bill would not require any court form, judicial resource, or case management system impacts because it applies to the Consumer Protection Act to violations.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

The AGO Solicitor General's Office has reviewed this bill and determined it will not significantly increase or decrease the division's workload. New legal services are nominal and costs are not included in this request.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
