Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact on the Courts

The bill adds a class 4 civil infraction for unlawful possession of a firearm if the person, adult or juvenile, is in possession or control of a firearm after filing a voluntary waiver of firearm rights that has been accepted by the clerk of the court and has not been lawfully revoked.

Section 2(7) creates a new class 4 civil infraction for unlawful possession of a firearm if the person has in the person's possession or has in the person's control a firearm after the person files a voluntary waiver of firearm rights under RCW 9.41.350 and the form has been accepted by the clerk of the court and the voluntary waiver has not been lawfully revoked.

Section 3(1) clarifies that a person may file a voluntary waiver of firearm rights either in writing or electronically, and that the clerk of the court must request a physical or scanned copy of photo identification. This subsection also adds that the person filing the form may provide the name of a family member, mental health professional, substance use disorder professional, or alternate person to be contacted if the filer attempts to purchase a firearm while the voluntary waiver of firearm rights is in effect or if the filer applies to have the voluntary waiver revoked.

Section 3(2) allows the filer of the waiver to update the contact information in the same county where the voluntary waiver was filed, with photo identification. The clerk of the court must transmit the updated contact information to the Washington State Patrol by end of the business day.

Section 3(3) allows a person to file a revocation of a voluntary waiver of firearm rights either in writing or electronically.

Section 4(2) will require a change to the voluntary waiver of firearms form.

II. B - Cash Receipts Impact

None

II. C - Expenditures

IMPACT ON THE ADMINISTRATIVE OFFICE OF THE COURTS (AOC)

Minimal Fiscal Impact. The form changes (Sections 2 and 4) are estimated to take 10 hours and cost less than \$1,000.

IMPACT ON COUNTIES/CITIES

Minimal Fiscal Impact. The number of waivers is small – for example, a total of 7 have been submitted in King County since 2019. The county clerks will be impacted by implementing electronic filing, passing updated information to the Washington State Patrol, and increased postage costs.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 5: Adds a new section to chapter 9.41 RCW (Firearms and Dangerous Weapons) stating mental health professionals and substance use disorder professionals are encouraged but not obligated to discuss the voluntary waiver of firearm rights with their patients if the mental health professional or substance use disorder professional reasonably believes that a discussion will avoid or minimize an imminent danger to the health or safety of the individual or any other individual

The work identified in this bill is specific to data being shared between the clerk of a court in any county in Washington state, and Washington State Patrol (WSP) and does not require any change or additional work for the Department of Health. Therefore, no fiscal impact.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures
