Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

An act relating to amending the Prescription Drug Affordability Board (PDAB).

Section 2(2)(a) Adds language that the governor shall appoint the initial members of the board to serve staggered terms not to exceed 5 years. Board members appointed thereafter shall serve for terms of 5 years.

Section 4(4) Allows the Washington State Healthcare Authority (HCA) to assess a fine of up to \$100,000 against a manufacturer for each failure to comply with an information request from the board. The update removes language that prevents the rules adopted under this subsection from going into effect until at least 90 days after the next regular legislative session.

Section 5(1) Requires HCA, in consultation with the board, to adopt rules setting forth a methodology for setting upper payment limits for prescription drugs the board has determined have led or will lead to excess costs based on its affordability review. The update removes language that prevents the rules adopted under this subsection from going into effect until at least 90 days after the next regular legislative session.

II. B - Cash Receipts Impact

None

II. C – Expenditures

No fiscal impact.

HCA does not anticipate any changes to utilization or costs as a result of this bill.

Part IV: Capital Budget Impact

None

Part V: New Rule Making Required

Section 8: New rules will be needed with passage of this legislation.
