Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 2 exempts WDFW from certain permits included in the Shoreline Management Act.

Section 3 outlines which WDFW activities, necessary to maintain the operation of state-managed fish hatcheries, would be exempt from certain permits. This section also directs WDFW to provide written notification of projects to the local governments and the Department of Ecology, prior to beginning maintenance or repair.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Sections 2 & 3:

As a result of this legislation, WDFW needs to pay for fewer local government permits. To estimate the savings, WDFW reviewed recent jobs:

Permit fees on hatchery work, especially shoreline permitting
 Wallace River Hatchery; \$17,500
 Minter Creek Hatchery; \$6,500

WDFW estimates doing two hatchery work areas per fiscal year and used the combination of the two costs above to generate an estimated savings of \$24,000 per fiscal year.
