## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Sec. 1 clarifies the Governor's authority to grant pardons and commutations if there is an extraordinary release for reasons of serious health problems, senility, advanced age, extraordinary meritorious acts or other extraordinary circumstances.

Sec. 3 contains updated language to clarify that nothing in this section shall be interpreted to limit the Governor's authority to grant a pardon or commutation for a sentence, other than a sentence of death, regardless of whether the governor receives a petition form the person convicted.

The Office of the Governor believes these sections will not have a fiscal impact.
