Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1(18)

- Creates a new annual special permit to allow a short-term rental operator to provide a complimentary bottle of wine to rental guests who are age 21 and over.
- Permit fee is \$75/year and applies to all properties owned or operated by the short-term rental operator and identified in the permit application.
- The bottle of wine may be consumed on or off the premises of the rental property.
- The definition of “short-term rental,” “operator”, and “guest” have the same meanings as in RCW 64.37.010.
 - "Short-term rental" means a lodging use, that is not a hotel or motel or bed and breakfast, in which a dwelling unit, or portion thereof, that is offered or provided to a guest by a short-term rental operator for a fee for fewer than thirty consecutive nights.
 - "Short-term rental" does not include any of the following:
 - (i) A dwelling unit that is occupied by the owner for at least six months during the calendar year and in which fewer than three rooms are rented at any time;
 - (ii) A dwelling unit, or portion thereof, that is used by the same person for thirty or more consecutive nights; or
 - (iii) A dwelling unit, or portion thereof, that is operated by an organization or government entity that is registered as a charitable organization with the secretary of state, state of Washington, or is classified by the federal internal revenue service as a public charity or a private foundation, and provides temporary housing to individuals who are being treated for trauma, injury, or disease, or their family members.
 - "Operator" or "short-term rental operator" means any person who receives payment for owning or operating a dwelling unit, or portion thereof, as a short-term rental unit.
 - "Guest" means any person or persons renting a short-term rental unit.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

This bill creates a new annual special permit to allow a short-term rental operator to provide a complimentary bottle of wine to rental guests who are age 21 and over. The permit fee is \$75/year and applies to all properties owned or operated by the short-term rental operator and identified in the permit application.

Through research with other state agencies, the Washington State Liquor and Cannabis Board ("Board") estimates that there are 30,000 short-term rental properties throughout the state. The Board estimates that 1% of those businesses would apply for this permit.

$\$75 \times 300 = \$22,500/\text{year}.$

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

BOARD DIVISION

The Washington State Liquor and Cannabis Board ("Board") is currently in the middle of a project to upgrade the agency's internal licensing and enforcement systems. The Licensing, Enforcement, Education, and Administrative Data Systems (LEEADS) is expected to go live July 1, 2024. There are change request costs associated with this legislation that will have to be submitted to the vendor. The estimated costs for these change requests is \$120,000 in FY24. Some examples of

changes needed follow:

- A new permit type for short-term rental operator (new privilege code)
 - This permit would have a \$75 dollar fee
 - This permit would be required to renew annually

These changes will need to be made during the implementation of the SMP project through project change controls.

LICENSING DIVISION

There will be ongoing staff costs to process the estimated 300 permits per year, of 0.1 FTE Customer Service Specialist 3.

0.1 FTE Customer Service Specialist 3 - \$7,647/yr (\$7,370 salary/benefits, \$277 in associated costs).

INFORMATION TECHNOLOGY DIVISION

The expected impact of this bill would be driven by changes to the iSeries, Enforcement Notebook, Replication, and BI/SSRS Reports.

Vendor costs:

- iSeries - \$42,000 (280 hours x \$150/hr)
- Enforcement Notebook - \$800 (8 hours x \$100/hr)

IT Staff costs (iSeries, Replication, and BI/SSRS reports):

0.3 FTE IT App Development - Senior/Specialist - \$46,585/yr (\$46,264 salary/benefits, \$321 in associated costs).
