Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

There is no fiscal impact to the Department of Social and Health Services (DSHS). Section - 3 clarifies that the superintendent of public instruction will take over the delivery and oversight of justice-involved students being served through institutional education programs but specifies this does NOT include programs in facilities under the jurisdiction of DSHS. The bill excluded DSHS from the list of educational programs involving justice-involved youth being impacted by this bill, thus no fiscal impact to DSHS.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

HB 1701 assigns the Superintendent of Public Instruction the responsibility for the delivery and oversight of basic education services to justice-involved youth through the institutional education programs in facilities that are not under the jurisdiction of the department of social and health services.

Section 2 establishes a joint select legislative committee on governance and funding for institutional education. The Office of the Superintendent of Public Instruction (OSPI), Department of Children, Youth and Families (DCYF), and the Department of Social and Health Services (DSHS) are directed to cooperate with the committee and provide any requested information. The committee is directed to report findings and recommendations to the Governor and Superintendent of Public Instruction, the chair of the State Board of Education, and appropriate committees of the Legislature by December 1, 2024.

Section 3(16) is amended to assign the Superintendent of Public Instruction the responsibility for delivery and oversight of all basic education services to justice-involved youth under the age of 21 who are served through institutional education programs.

Section 4 adds a new chapter to 28A.300 RCW which instructs the Superintendent of Public Instruction to develop a timeline and plan for assuming responsibility outlined in section 3 by September 1, 2027. Beginning 12/15/2023 and annually through 2026, OSPI is directed to provide an interim report on progress made in achieving the requirements of section 4 to the Governor, Education, and Fiscal committees of the Legislature.

Section 5 adds a new chapter to 28A.190 RCW that assigns the Superintendent of Public Instruction responsibility for the delivery and oversight of basic education services to justice-involved students who are under the age of 21 and served through institutional education programs in facilities that are not under the jurisdiction of DSHS.
