Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

SHB 1510 creates the community preservation and development authority local account, coupled with the general fund as the recipient of the earnings from investments under RCW 43.79A.040(4).

Assumptions:

1. Under section 2, OST has the authority to disburse funds and has no oversight responsibility relating to how the funds are used by the county and the community preservation and development authority.
2. The county and authority will follow the SAO guidelines established in the budget, accounting, and reporting system (BARS).

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Projected cash flows are currently unavailable; therefore, estimated earnings from investments are indeterminable.

There may be an impact on the debt service limitation calculation. Changes to the earnings credited to the general fund impacts, by an equal amount, general state revenues.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Note: This fiscal note reflects language in SHB 1510, 2023 Legislative Session.

COMPARISON OF THE SUBSTITUTE BILL WITH THE ORIGINAL:

The substitute bill adds an exemption for the impact assessment fee on events sponsored by a nonprofit organization and occurring before January 1, 2028.

"Nonprofit organization" means an organization exempt from tax under section 501(c)(3) or (6) of the federal internal revenue code of 1986 (26 U.S.C. Sec. 501(c)(3) or (6)).

CURRENT LAW:

Community Preservation and Development Authorities (CPDAs) are created to restore or enhance the health, safety, and economic well-being of communities adversely impacted by the construction of, or ongoing operation of, multiple major public facilities, public works, and capital projects with significant public funding or by other land use decisions.

PROPOSAL:

This legislation creates the community preservation and development authority local account and adds an impact assessment fee on the price of admission to certain qualified facilities. The impact fee is \$1 on each ticket sold.

A "qualified facility" is a facility located in a county with a community preservation and development authority that:

- Has a seating capacity of at least 68,000 fixed seats in an open air stadium and has related event space of at least 300,000 square feet; or
- Has a seating capacity of at least 47,000 seats for its main use and a retractable roof.

EFFECTIVE DATE:

This bill takes effect on January 1, 2024.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

ASSUMPTIONS:

King County will administer the impact assessment fee.

REVENUE ESTIMATES:

This legislation results in no revenue impact to taxes administered by the Department of Revenue (department).

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

The department will have minimal costs of approximately \$4,500 for 88 hours of work by a fiscal analyst in fiscal year 2024 and \$2,400 for 48 hours of work ongoing each fiscal year to setup accounting procedures and update reports related to the new Community Preservation and Development Authority Local account. The department will absorb these costs within current funding.

2

Bill # 1510 S HB

The department assumes this new fee will be collected by King County; therefore, the costs below do not include costs to collect and administer the new fee. If the department were to be required to collect this fee, there would be substantial additional costs to implement.

Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

CHANGES BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

Adds a new sub-section which exempts events sponsored by nonprofit from the impact assessment fee and adds “nonprofit organization” to the definitions

SUMMARY OF CURRENT BILL:

This bill would require the county in which a community preservation and development authority is located to impose an impact assessment fee on the price of admission to a qualified facility.

Sec. 1: (1) The governing body of the county in which a community preservation and development authority is located must, by resolution or ordinance, impose an impact assessment fee on the price of admission to a qualified facility.

(2) The amount of the impact assessment fee is \$1 on each ticket sold for entry into an event held at a qualified facility except for events sponsored by nonprofit organizations.

(3) (a) Defines nonprofit organization

(b) Defines “qualified facility”:

(i) Has a seating capacity of at least 68,000 fixed seats in an open air stadium and has related event space of at least 300,000 square feet.

(ii) Has a seating capacity of at least 47,000 seats for its main use and a retractable roof

Sec. 2: Establishes the community preservation and development authority local account under the custody of the state treasurer and outlines the process for distributing the funds.

Sec. 3: This act takes effect January 1, 2024.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

CHANGES IN EXPENDITURE IMPACTS BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

No changes made which would impact expenditures.

EXPENDITURE IMPACTS OF CURRENT BILL:

This bill would still require King County to pass an ordinance or resolution to implement a \$1 impact assessment fee on all tickets sold at T-Mobile Park and Lumen Field. Using the Local Government Fiscal Note Program’s Unit Cost Model, the estimated cost of passing an ordinance would be between \$5,800.62 and \$9,399.43 depending on the amount of public hearings required to pass the ordinance.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

CHANGES IN REVENUE IMPACTS BETWEEN THIS VERSION AND PREVIOUS BILL VERSION:

Added an exemption for events sponsored by nonprofit organizations

REVENUE IMPACTS OF CURRENT BILL:

This legislation would still have an indeterminate revenue impact on local governments. There is no way to project the amount of funds that will be disbursed to the county or community preservation and development authority because the ordinance or resolution establishing the \$1 impact assessment fee has not been passed.
