### **Part II: Narrative Explanation**

#### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Provides that self-insured municipal employers and self-insured employers' lay representative third-party administrators have a duty of good faith and fair dealing to workers with respect to all aspects of workers' compensation.

Requires the Department of Labor and Industries to enforce the duty of good faith and fair dealing.

Establishes penalties for violations of the duty of good faith and fair dealing.

Because this bill only applies to self-insured municipal employers and their third-party administrators, the Department expects only a minimal number of complaints and can investigate them within existing resources. Based on this, the BIIA also expects a very minimal number of appeals and no fiscal impact.

#### II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

#### II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

### Part III: Expenditure Detail

III. A - Operating Budget Expenditures

**NONE** 

III. B - Expenditures by Object Or Purpose

**NONE** 

III. C - Operating FTE Detail: FTEs listed by classification and corresponding annual compensation. Totals agree with total FTEs in Part I and Part IIIA.

NONE

III. D - Expenditures By Program (optional)

**NONE** 

## Part IV: Capital Budget Impact

IV. A - Capital Budget Expenditures NONE

IV. B - Expenditures by Object Or Purpose

NONE

#### IV. C - Capital Budget Breakout

Acquisition and construction costs not reflected elsewhere on the fiscal note and description of potential financing methods.

NONE

IV. D - Capital FTE Detail: FTEs listed by classification and corresponding annual compensation. Totals agree with total FTEs in Part IVB.

**NONE** 

## Part V: New Rule Making Required

Provisions of the bill that require the agency to adopt new administrative rules or repeal/revise existing rules.

IV. D - Capital FTE Detail: FTEs listed by classification and corresponding annual compensation. Totals agree with total FTEs in Part IVB.

**NONE** 

### Part V: New Rule Making Required

Provisions of the bill that require the agency to adopt new administrative rules or repeal/revise existing rules.

See attached.

### Part II: Explanation

The bill relates to industrial insurance self-insured municipal employer and third-party administrator penalties and duties.

The differences between SSB 5524 and SB 5524 include:

- SSB 5524 relates to self-insured municipal employers and their third-party administrators, rather than all self-insured employers and their third-party administrators.
- SSB 5524 removes the provisions increasing penalty amounts.
- SSB 5524 specifies that the department shall issue an order determining whether a
  violation has occurred within 30 calendar days of receipt of a complete complaint or
  its own motion.
- SSB 5524 states the maximum penalty for violating the duty of good faith and fair dealing to one to 52 times the average weekly wage.
- SSB 5524 adds a new basis for withdrawal of certification if the self-insured municipal employer has been found to violate the duty of good faith and fair dealing three times within three year period.
- SSB 5524 states that the withdrawal of certification may be delayed if the employer is
  in an enforceable contract with the third party administrator that cannot be legally
  terminated, and prohibits the self-insured employer from renewing or extending the
  contract.
- SSB 5524 states this act applies to alleged violations occurring on or after July 1, 2024.

## II. A – Brief Description of What the Measure Does that Has Fiscal Impact

**Section 1(1)** adds a new section to RCW 51.14 stating that self-insured municipal employers and third-party administrators have a duty of good faith and fair dealing to workers relating to all aspects of this title.

**Section 1(3)** adds a new section to RCW 51.14 requiring the Department of Labor and Industries (L&I) to adopt by rule additional applications of the duty of good faith and fair dealing as well as criteria for determining appropriate penalties for violation of its duties.

**Section 1(4)** adds a new section to RCW 51.14 requiring L&I to investigate each alleged violation of this section upon the filing of a written complaint or upon its own motion.

**Section 1(5)** adds a new section to RCW 51.14 requiring L&I to issue an order determining whether a violation of this section has occurred in conformance with RCW 51.52.050 and must be issued within 30 calendar days of receipt of a complete complaint or its own motion. An order finding that a violation has occurred must also order the employer to pay a penalty of one to 52 times the average weekly wage at the time of the order, depending upon the severity of the violation, which accrues for the benefit of the worker.

Section 2 amends RCW 51.14.080 adding a new basis for withdrawal of certification if the self-insured municipal employer has been found to violate the duty of good faith and fair dealing three times within three year period. It further states that the withdrawal of certification may be delayed if the employer is in an enforceable contract with the third party administrator that cannot be legally terminated, and prohibits the self-insured employer from renewing or extending the contract.

**Section 3** states this act applies to alleged violations occurring on or after July 1, 2024.

## II. B – Cash Receipt Impact

Cash receipts are indeterminate. The bill allows L&I to assess penalties, but L&I has no way to estimate the frequency nor amounts of those penalties.

## II. C – Expenditures

This bill increases expenditures to the Accident Fund, fund 608 and the Medical Aid Fund, fund 609. The following assumptions were used to estimate the resources requested to implement this bill.

#### Staffing

1.0 FTE, Management Analyst 5, temporary, from July 1, 2023 through June 30, 2025. Duties include managing the implementation, rulemaking activities, assisting the creation of new processes, changes in current processes, updates to written materials (internal training, external training, brochures and other), updating of information on the web, to include a worker centric web presence to communicate worker's rights. Duties also include communications to self-insured municipal employers, third party administrators and other parties, setting up for anticipated data needs. Once the bill is implemented, the position will monitor Self-insurance's compliance to the time frames for issuing orders, writing communications, keeping web information up-to-date, and acting as a penalty subject matter expert. Duties also include developing and monitoring data and reporting needs regarding penalties and ad hoc reports as requested.

Because the bill only applies to self-insured municipal employers and their third-party administrators, a minimal number of complaints is expected, and the investigations required in section 1(4) will be done with existing resources.

#### Rule making

\$5,000 is needed for one rule making hearings to occur during fiscal year 2024. The average cost of one rule making hearing is 2,500. (2 hearings x 2,500 = 5,000)

#### **Indirect Costs**

The amount included in this fiscal note for indirect is:

| Fund | Name        | FY 2024 | FY 2025 | FY 2026 | FY 2027 | FY 2028 | FY 2029 |
|------|-------------|---------|---------|---------|---------|---------|---------|
| 608  | Accident    | 3,500   | 0       | 0       | 0       | 0       | 0       |
| 609  | Medical Aid | 3,500   | 0       | 0       | 0       | 0       | 0       |
|      | Total:      | \$7,000 | \$0     | \$0     | \$0     | \$0     | \$0     |

The department assesses an indirect rate to cover agency-wide administrative costs. Labor and Industries' indirect rate is applied on salaries, benefits, and standard costs. For fiscal note

purposes, the total indirect amount is converted into salary and benefits for partial or full indirect FTEs. Salary and benefits costs are based on a Fiscal Analyst 5 (Range 59, Step G).

## Part IV: Capital Budget Impact

None.

### Part V: New Rule Making Required

This legislation would result in rule changes to:

- WAC 296-15-266, Penalties.
- WAC 296-15-320, Reporting of injuries.
- WAC 296-15-350, Handling of claims.
- WAC 296-15-420, Requesting allowance or denial, or interlocutory order from the department.
- WAC 296-15-550, Self-Insured third-party administrator duties and performance requirements.
- WAC 296-15-560, Self-insured third-party administrator penalties.

FNS060 Local Government Fiscal Note

# Part IV: Analysis A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

This legislation would require municipal self-insured employers, and their third-party administrators, to act in good faith and deal fairly with employees with regard to workers compensation claims.

Sec.1 creates a new section to chapter 51.14 RCW which directs the Department of Labor and Industries to adopt guidelines and criteria for violation penalties criteria using approved insurance industry practices, department experiences, and the industrial insurance laws and regulations in Washington. This section also establishes a timeline of 30 calendar days for the department to respond to written complaints, or its own motion, and establishes a penalty of one to 52 times the average weekly wage at the time of the department's violation order for the worker's benefit.

Sec.2 amends 51.14.080 RCW to add in subsection (1) (g) that if a self-insured municipal employer has been found to violate its duty of good faith and fair dealing three times within a three-year period, the director of the Labor and Industries Department must use the date of the department's order. Subsection (2) adds the provision that the director may delay a self-insured municipal employer certification while the employer is under contract with a licensed third-party administrator, but the administrator's contract may not be renewed or extended.

Sec.3 adds a new section which establishes an effective date of July 1, 2024, as the starting date for alleged violations.

#### **B. SUMMARY OF EXPENDITURE IMPACTS**

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

The expenditure impact on local governments is indeterminate. As noted in the fiscal note prepared by the Department of Labor and Industries (L&I), this bill allows L&I to assess penalties but there is no way to estimate the frequency nor amounts of penalties that may be assessed on self-insured local governments. The Association of Washington Cities reports that there are currently 18 self-insured cities and 13 self-insured counties.

#### C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

This legislation has no impact on local government revenue.
