## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1(1) - The bill creates funding for a grant program to support the start-up of intercollegiate postsecondary wrestling programs at the public two and four-year institutions of higher education.

Section 1(2) - The bill directs Washington Student Achievement Council (WSAC) to administer the grant program and determine grant awardees using a competitive grant process.

Section 1(3) - The bill approves the use of grant award funds for the costs associated with a starting up program, equipment, and student scholarships.

Substitute bill Section 1(1) - The substitute bill adds language to include current postsecondary wrestling programs as eligible grant recipients - "to establish or maintain intercollegiate wrestling programs."

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

Section 1(2) - WSAC staff will administer a competitive grant program and award grants to selected institutions of higher education that will establish an intercollegiate wrestling program at two and four-year public colleges and universities. Staff will identify the process to establish an intercollegiate wrestling program, write a request for grant proposals, run a competitive grant program for eligible two- and four-year institutions of higher education, select and award grant recipients, and periodically review progress being made by recipients.

#### GRANT AWARD COSTS

Grant costs are indeterminate and subject to appropriations for the grant program. The bill directs the grant funds to be used either for a one-time or once every four-year basis, dependent on the needs of the program and for purposes including, but not limited to, support of one-time start-up costs, equipment, and student scholarships.

#### STAFFING

This will require 0.6 FTE Assistant Director in FY2024 costing \$110,000 and 0.2 FTE Assistant Director in FY2025 and ongoing costing \$33,000 annually until grant program expires.

Staff time estimates are rounded to the nearest 0.1 FTE and staff-related and other costs are rounded to the nearest \$1000.
