HCA Fiscal Note

Bill Number: 2SSB 5438

HCA Request #: 23-171

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

2SSB 5438 makes updates to the original bill clarifying the intent. Section 1 was amended to show that the intent of the bill is not to force family involvement on youth when it is not in their best interest. The original bill used language about including family such as “whenever possible” while the second substitute revises this with language about including family “when it is in the best interest of the client”. Section 2 mirrors these amendments. The second substitute also adds a new section (section 4) which states that this act does not create a private right of action.

SB 5438 requires the Washington State Health Care Authority (HCA) to be aware of and protect significant relationships in behavioral health system clients as part of its oversight of the Community Behavioral Health System. These relationships include relationships of lifelong involvement and knowledge of past and present welfare, such as parent and child, but non-family relationships should be included within legal limits. This bill requires inclusion of family and other significant relationships in treatment, location of treatment, and medications.

Section 1 lays out eight principles to consider centered around family engagement in treatment and related decisions and requires HCA to conduct a review of its policies related to behavioral health by June 30, 2024. HCA must eliminate policies that discourage family involvement with service providers.

II. B - Cash Receipts Impact

Fiscal impacts associated with section 1 are assumed to be eligible for Federal Financial Participation (FFP). HCA estimates an average FFP of 46 percent.

II. B - Estimated Cash Receipts to:

ACCOUNT	FY-2024	FY-2025	FY-2026	FY-2027	FY-2028	FY-2029
General Fund-Medicaid 001-C	57,000	99,000	23,000	23,000	23,000	23,000
Totals	\$ 57,000	\$ 99,000	\$ 23,000	\$ 23,000	\$ 23,000	\$ 23,000

II. C – Expenditures

HCA requests \$339,000 (\$183,000 GF-S) and 1.3 Full Time Equivalent (FTE) staff in the 2023-25 Biennium. Both the FTE and the training and outreach costs in object E come from section 1 of the bill.

The 1.0 FTE is for a Management Analyst 5 (MA5) who would be responsible for the first phase of implementing this bill. The MA5 would go through the behavioral health programs and decide which are affected by this bill, as well as coordinate with stakeholders and oversee the beginning of the second phase.

The 0.3 FTE is due to administrative costs. Administrative costs are calculated at \$39,000 per 1.0 FTE. This cost is included in Object T based on HCA's federally approved cost allocation plan and are capture and/or included as Fiscal Analyst 3 classification.

The second phase costs are for outreach and training, and this will fund the trainings for professionals who are within programs affected by the bill. The costs for outreach and training could be between \$20,000 and \$80,000 per year and could fluctuate year to year. For this analysis we are assuming

HCA Fiscal Note

\$50,000 per year. These trainings' purpose will be to teach the professionals how to include the consideration for the eight principles laid out by the bill into their treatment of those within the behavioral health program.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

2SSB 5438 has a fiscal impact to the Department of Social and Health Services (DSHS), Behavioral Health Administration (BHA) as new section 2 states DSHS shall administer state hospitals in a manner that is aware of, nurtures, and protects significant relationships; outlines the principles when administering programs and making policy; requires the state hospitals to conduct a full review of its policies related to family engagement and complete stakeholder meetings with family members and peers resulting in a letter to the governor to be submitted by June 30, 2024 outlining the outcomes of the review.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Federal: A portion of the costs incurred to implement this legislation will be funded with federal Title XIX.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Section 2 will require the following staffing to implement the Family Care Act:

- 1.0 – Statewide Family Engagement Manager (WMS BAND 3)
- 1.0 – Administrative Assistant 3
- 2.0 – Program Specialist 4’s (PS4) for Western State Hospital (WSH)
- 1.0 – PS4 for Eastern State Hospital (ESH)
- 1.0 – PS4 for Child Study Treatment Center (CSTC)
- 1.0 – PS4 for Residential Treatment Facilities (RTF)

The Statewide Family Engagement Manager will review, administer, oversee, and direct all program policies related to family involvement, and supervise the PS4’s. The PS4’s will serve as a liaison and work with treatment teams to determine priorities and sets objectives, coordinates and resolves resource conflicts related to program activities; structures and administers activities to ensure consistent approaches are utilized within the program and facility-wide.
