Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Indeterminate fiscal impact. Office of Administrative Hearings (OAH) authority to provide services for these appeals is unclear. A change is needed to chapter 34.12 RCW and 34.05 RCW in order to have jurisdiction to handle these appeals.

Section 1 allows Washington State counties to fine retail pet stores \$250 for violations of the section, and states the violation is appealable to the Office of Administrative Hearings.

Violations resulting in a citation include:

1. Sold or offered for sale at a different address;
2. Selling dogs acquired from someone other than an authorized breeder or broker;
3. Selling dogs too young;
4. Failing to maintain proper breeder records;
5. Improper advertising;
6. Improper posting of breeder or other source information;
7. Failing to disclose to potential buyers the dog or cat's purchase price and the breeders' inspection reports showing law violations over the past two years.

Work activities associated with the enactment of this bill will begin on July 1, 2023.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Indeterminate cash receipts.

Assuming changes in statute are made to allow OAH to handle these appeals and the counties are billed and pay for the appeals, the revenue would be recorded as General Fund Private/Local (05??) unless a new account is established or the Local Government Administrative Hearings Account (account #180 - RCW 42.41.060) is amended to handle these funds.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Indeterminate expenditure impact.

1. Office of Administrative Hearings (OAH) authority to provide services for these appeals is unclear. A change is needed to chapter 34.12 RCW and 34.05 RCW in order to have jurisdiction to handle these appeals.
2. Because this activity does not fall under the provisions of the Administrative Hearings Revolving Account (#484) or the Local Government Administrative Hearings Account (#180), OAH assumes billings would be recorded under General Fund Private Local revenue (05??) and expenditures would be accounted for within General Fund-Private/Local Dollars (001-7).
3. The Department of Commerce (Local) is unable to estimate the number of appeals for violations identified in this legislation.

On average, the Office of Administrative Hearings (OAH) assumes each appeal is expected to take up to 17 hours of line Administrative Law Judge (ALJ) time. This includes prehearing practice, order-writing, and the appeal.

OAH Agency Workforce Assumptions:

- (1) The Governors proposed COLA increases in FY2024 and FY2025, and Collective Bargaining Agreement increases are not included in agency cost projections. Additional funding is required if these proposals are enacted.
- (2) Ratio of 1.0 FTE line ALJ to 0.15 Senior ALJ (SALJ), to 0.6 Legal Assistant 2 (LA2) (Range 40 step L), to 0.25 administrative support Management Analyst 5 (MA5) (Range 64 Step L).
- (3) ALJ salary is based on the ALJ collective bargaining agreement and assumed to be at step L. (Line ALJ-range 70. Senior ALJ-range 74.)
- (4) Benefit rates were analyzed by job class and projected using the latest benefit information available.
- (5) Goods and services, travel and on-going capital outlays were projected based on historical data for each of the job classifications.

Ranges of Total Workload Impact are assumed to be between \$34,000 per FY and \$143,000 per FY:

Assuming 4 appeals per FY are referred to OAH, the fiscal impact is a need for 0.05 ALJ at a cost of \$15,000 per FY. This is the minimum impact OAH would normally identify new costs for.

Assuming 8 appeals per FY are referred to OAH, the fiscal impact is a need for 0.10 ALJ and 0.06 LA2 at a cost of \$29,000 per FY.

Assuming 12 appeals per FY are referred to OAH, the fiscal impact is a need for 0.15 ALJ and 0.09 LA2 at a cost of \$105,000 per FY.

Work activities associated with the enactment of this bill will begin on July 1, 2023.

Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

This legislation will require retail pet stores to disclose certain information to consumers before the sale of a dog or a cat and extends authority to animal control officers to issue civil penalties for violations.

Sec.1 (2) amends RCW 16.52.360 to add certain requirements a retail pet store must meet to sell dogs or cats. These requirements include the location for the sale of animals to consumers, the sources where animals can be obtained, required documentation for animal purchases, record retention requirements, and advertisement criteria.

Sec.1 (3) includes posting requirements for retail pet stores that provide care and space for animals owned by animal control agencies or animal rescue groups for the purposes of adoption by the general public.

Sec.1 (4) establishes a civil penalty of \$250 for violations of this section.

Sec.2 amends RCW 16.52.015 to give animal control officers the authority to issue civil penalties for violations in section 1 of this act.

Sec.3 amends RCW 16.52.310 to remove an exemption for commercial dog breeders licensed before January 1, 2010.

Sec.4 adds a new section to chapter 63.10 RCW which prohibits the use of a consumer lease for the purchase of a dog or cat.

Sec.5 adds a new section to chapter 63.14 RCW which prohibits the use of retail installment transactions for the purchase of a dog or cat.

Sec.6 adds a new section to chapter 31.04 RCW which prohibits the use of consumer loans for the purchase of a dog or cat.

This legislation would take effect 90 days after adjournment of the session in which the bill is passed.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

This legislation would have no impact on local government expenditures.

Clark County provides animal control services for the unincorporated areas of the county as well as the City of Vancouver. Clark County reports that there is one retail pet store that may be impacted by this legislation. The county does not anticipate the need to hire additional staff if this legislation is passed.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

This legislation would have an indeterminate impact on local government revenues.

It is possible that local governments which operate animal services departments, either directly or in partnership with another local government, will see an increase in revenues generated from the civil penalties. However, there is no way to predict the number of penalties that will be issued and collected.
