Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

The proposed legislation aims to amend the monthly and annual values of contracts in which municipal officers may have beneficial interest.

Sec. (6)(a) amends RCW 42.23.030 and increases the monthly amount received by the municipal officer or their business from \$1,500 to \$3,000.

Sec. (6)(b) specifies that this amount may exceed \$3,000 in a calendar month but should not exceed \$36,000 in any calendar year for a second-class city or town, noncharter optional code city, or a member of any county fair board which does not have a purchasing department.

Sec. (6)(d)(ii) lowers the floor on a city's population, from 10,000 to 5,000 or more, which may let municipal officers have beneficial interest in the same.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

No impact to local school district's cash receipts.

II. C - Expenditures
