## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Please see attached narrative.

### II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

### II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Please see attached.

## Part III: Expenditure Detail

### III. A - Operating Budget Expenditures

Account	Account Title	Type	FY 2024	FY 2025	2023-25	2025-27	2027-29

# HCA Fiscal Note

Bill Number: HB 1435

HCA Request #: 23-066

## Part II: Narrative Explanation

AN ACT Relating to the development of a home care safety net assessment; adding a new section to chapter 70.127 RCW; adding a new section to chapter 74.39A RCW; and providing an expiration date.

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Sec. 2 (1) creates the "home care safety net assessment work group".

Sec. 2 (1)(a) assigns the director of the Washington State Health Care Authority (HCA) or the director's designee to the work group.

Sec. 2 (2) states that the work group shall develop a home care safety net assessment proposal to secure federal matching funds under federally prescribed programs available through the state Medicaid plan or a waiver. The group shall consider the financial information provided by consumer directed employers and in-home services agencies under Sec. 1 (4) (b) (ii) of this act and any relevant data analysis of the financial information provided by a private entity under contract with HCA pursuant to Sec. 2 (3).

Sec. 2 (3) allows HCA to contract with a private entity to provide data analysis of the financial information submitted.

Sec. 2 (4) states that support staff for the work group must be provided by HCA.

Sec. 2 (5) requires the work group to submit a report to the governor and appropriate committees by December 1, 2024. The report must include recommendations related to the elements necessary to adopt and implement a home care safety net assessment proposal that meets the requirements needed for federal approval.

Sec. 3 This act expires July 1, 2026.

### II. B - Cash Receipts Impact

None.

### II. C – Expenditures

HCA requests \$516,000 in GF-State and 1.0 Full Time Equivalent (FTE) staff in the 2023-25 Biennium to lead the project as created by Sec. 2 (1)(a) and provide support to the work group as required by Sec. 2 (4).

### Financial Services Division (FSD)

Sec. 2 (1)(a) assigns the director of HCA or the director's designee to the work group. A Washington Management Service 2 (WMS2) would need to lead this project, it does not read as something that the director can do or absorb daily.

# HCA Fiscal Note

Bill Number: HB 1435

HCA Request #: 23-066

- 1.0 FTE - Washington Management Service 2 (WMS2) is needed to lead the project as created by Sec. 2 (1)(a) which assigns the director of HCA or the director's designee to the work group. This position will also provide support to the work group led by the Department of Social Health Services as assigned by Sec. 2 (4) of this bill. This position is needed until June 30, 2026, to provide data analysis of the financial information submitted.

Contract per Sec. 2 (3) allows HCA to contract with a private entity to provide data analysis of the financial information submitted.

- \$100,000 per year until June 30, 2026, to provide data analysis of the financial information submitted.

**II. C - Operating Budget Expenditures**

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

#### CURRENT LAW:

Washington does not have a home care safety net assessment which may allow Washington to secure federal matching funds.

#### PROPOSAL:

This bill requires each consumer directed employer and each in-home services agency that provides home care services, hospice services, or home health services to submit financial information to the Department of Health. This is for the development of a home care safety net assessment to use in securing federal matching funds under federally prescribed programs available through the state Medicaid plan, as described below.

The financial information required will be comprised of the following, related to in-home services client revenue, separated by type of service and payer, from the 12-month period between July 1, 2022, and July 1, 2023:

Total client revenue for home care services (or home health services) expressed as client revenue for home care services (or home health services) paid by:

- Medicaid
- Medicare
- Private pay
- Commercial insurance
- The veterans administration
- All other payers

The provision above applies equally to hospice services.

The bill also establishes the home care safety net assessment work group, of which the director of the Department of Revenue (or a designee) will be a member.

The work group will develop a home care safety net assessment proposal to secure federal matching funds under federally prescribed programs available through the state Medicaid plan or a waiver.

This bill expires July 1, 2026.

#### EFFECTIVE DATE:

The bill takes effect 90 days after final adjournment of the session in which it is enacted.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

This bill does not impact taxes or fees administered by the Department of Revenue (department).

## II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

The department will have minimal costs of approximately \$1,400 for 16 hours of work by an executive manager in fiscal years 2024 and 2025 to participate in the home care safety net assessment work group. The department will absorb these costs within current funding.

## Part III: Expenditure Detail

### III. A - Expenditures by Object Or Purpose

NONE

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill establishes a home care safety net assessment workgroup with the Department of Social and Health Services as a participating member, which can be staffed using current staffing levels.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. ## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill amends 70.127 RCW (In-Home Services Agencies) to require in-home services agencies licensed under RCW 74.39A.500 (Consumer Directed Employer Program—Establishment—Structure—Vendor Qualifications—Transition—Department Duties) to provide financial information to the Department of Health (department) to inform the development of a home care safety net assessment proposal.

Section 1(4): Directs the department to adopt guidance for in-home services agencies to report financial information and outlines how the department can disseminate that information.

Section 2: Establishes the home care safety net assessment work group and directs the workgroup to develop a proposal to secure federal matching funds under programs available through state Medicaid plan or waiver.

Based on previous experience surveying in-home services agencies, the department estimates the staff costs to be minimal. Existing staff will accomplish developing guidance, collecting information, and participating on the workgroup within their normal workload. No fiscal impact to the department.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

None

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

The department believes there is sufficient existing appropriation authority for the private local account to cover these additional costs for the in-home services agency program to implement this bill. Those costs are estimated to be \$6,000. Therefore, no new appropriation is being requested as a result of the passage of this legislation.
