Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

The Department of Labor & Industries has determined that the language in this bill does not change our fiscal impact from the original bill. OAH does not hear appeals of contractor registration denials which is what this bill amends in part. The rest of the bill does not appear to create any new appeal rights that would impact appeals heard at OAH.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

None.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill prohibits employers from searching employee personal vehicles except under certain exceptions and prohibits employers from taking any adverse action against an employee for exercising any right under this bill. The bill adds a new section to 49.44 RCW.

2SHB 1491 AMS WM S2966.1 is different from 2SHB 1491 in that it:

- Codifies provisions prohibiting an employer from searching an employee's vehicle in the employer's parking areas in chapter 49.44 RCW, relating to prohibited labor practices, instead of in the Industrial Welfare Act.
- Removes provisions relating to L&I defining certain terms in rules, L&I enforcement and penalties, and the July 1, 2024, effective date.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

This amendment moves the bill under 49.44 and removes L&I enforcement and rulemaking requirements. No fiscal impact to L&I.
