## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

2S SB AMH App limits state funding for CHS courses to \$300 per student per course, and reduces the maximum rate administered by the institution from \$5500 to \$5000.

Evergreen does not participate in any college in the high school program so there is no fiscal impact.

\*\*\*\*\*

2S SB relates to eliminating college in the high school fees.

Section 1 (3) (a) revises the amounts provided to regional universities or the state college from \$4,000 to \$5,500 for each course provided.

Section 2 (7) revises the requirements for awarding credit and providing proof of completion on the transcript.

The Evergreen State College does not participate in any college in the high school programs so there is no fiscal impact.

\*\*\*\*\*

Evergreen does not participate in the College in the High School program so it neither receives nor loses revenue from this action.

\*\*\*\*\*

SB 5048 relates to eliminating the college in the high school fees.

The Evergreen State College does not participate in the state's College in the High School program or in Running Start, so eliminating the fees does not create a fiscal impact for us.
