Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

No fiscal impact. This legislation will not measurably increase the appeal workload for the Office of Administrative Hearings.

Data on the number, location, and size of residential schools is currently unclear. The Department of Children, Youth & Families (DCYF) is able to estimate 24 residential schools, and the Department of Health estimates 10 group care facilities that will be impacted by this bill.

OAH assumes this law to generate 44 new cases each Fiscal Year. Using historical appeal rates from DCYF to OAH, these 44 cases could lead to up to 4 additional hearings at OAH.

OAH assumes each hearing will require 3.85 hours, and that hearings will be provided with existing resources.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

The fiscal impact has not changed from the previous fiscal note on 5515 ESSB. This bill adds language to clarify which facilities licensed under 71.24 RCW (Community Behavioral Health Services Act), RCW 71.24.025 (Definitions), and RCW 74.15.020 (Definitions) could be investigated under this bill, and adds the definition of residential private school to RCW 26.44.210 (Alleged Child Abuse or Neglect at the State School for the Deaf—Investigation by Department—Investigation Report).

Section 3: Amends RCW 26.44.210 (Alleged Child Abuse or Neglect at the State School for the Deaf—Investigation by Department—Investigation Report) directing the Department of Children Youth and Families to investigate referrals of alleged child abuse or neglect occurring at the Washington center for deaf and hard of hearing youth, substance use disorder treatment facilities licensed under 71.24 RCW (Community Behavioral Health Services Act) that treat patients on a residential basis, entities that provide behavioral health services defined in RCW 71.24.025 (Definitions) that treat patients on a residential basis, host homes as defined in RCW 74.15.020 (Definitions), and residential private schools. The department anticipates receiving referrals for an additional 2 investigations per year as a result of this section.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Current law, RCW 43.70.250 (License fees for professions, occupations, and businesses.) requires that a business-licensing program be self-supporting and sufficient revenue be collected through fees to fund expenditures. The department does not anticipate the need to increase licensing fees to support the changes proposed in this bill. However, the department anticipates raising residential treatment facility and behavioral health agency licensing fees to maintain a healthy fund balance. The department will monitor the program fund balance and adjust fees over a six (6) year period to ensure that fees are sufficient to cover all program expenditures.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Investigation

Sections 3: Based on experiences with behavioral health facilities and residential treatment facilities, the department is estimating receiving referrals for an additional 2 investigations per year. Since the department has begun the regulation of behavioral health agencies and residential treatment facilities, the department has learned that the investigations of these facilities can easily become complicated with many safety risks. The investigations need to be conscientious to the safety of patients, facility staff, and the department's staff conducting the investigation.

The complaint response process includes five steps: 1) intake, 2) assessment, 3) investigation, 4) case disposition, and 5) adjudication. Staff review the complaint, identify the history of the facility complained about, and help assess whether an investigation is needed. The investigator obtains information about the complaint and the respondent, then prepares a report detailing the findings. The average length of investigation for these facility types is 46 hours. After investigation, the disciplining authority decides whether to pursue legal action. Staff attorneys, paralegals, assistant attorney general, and other staff work to develop the legal documents and charge the violation. Most cases are settled, and the staff attorney manages that process. If the respondent asks for a hearing, staff must schedule the hearing, and the health law judge considers all legal motions, presides over the hearing, and draft the final order. Also, the Office of the Attorney General will represent the department at hearings and may provide advice throughout the enforcement process.

FY 2024 costs will be 0.1 FTE and \$12,000 (GF-L).
 FY 2025 and ongoing, costs will be 0.2 FTE and \$24,000 (GF-L).

Part III: Expenditure Detail

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Comparison of 5515 ESSB AMH HSEL H1744.1 to 5515 ESSB:

Section 3 is amended to specify that the department only needs to investigate allegations of child abuse or neglect substance use disorder treatment facilities and behavioral health services that treat patients on a residential basis. It also adds host homes to the list of facilities that the department is required to investigate child abuse allegations at.

Section 2 requires the Department of Children Youth and Families (DCYF) to license living accommodations for residential private schools. This section also requires the department to engage in rule making with the board of education to establish the health and safety standards for residential private schools.

Section 3 requires DCYF to investigate alleged child abuse at WA Center for Deaf and Hard of Hearing, substance use disorder treatment facilities, behavioral health services, host homes, and residential private schools.

Section 6 requires DCYF to submit a report on the licensing of residential private schools to the legislature by July 1, 2025, and final report by July 1, 2026.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Child care staff performing Child Protective Service (CPS) investigations are partially funded by the Title IV-E federal grant. Additionally, the Title IV-E federal reimbursement rate is 13% for administrative support, this is applied to all FTE costs. Estimated federal revenue is as follows:

FY24: \$81,000

FY25: \$76,000

FY26: \$76,000

FY27: \$76,000

FY28: \$76,000

FY29: \$76,000

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

The total cost of the bill is estimated at \$831,000 (\$674,000 GFS) and 3.2 FTE in the 23-25 Biennium.

Section 2 Licensing residential private schools: The Department of Children, Youth and Families estimates \$516,000 (\$419,000 GFS) and 2.0 FTE in the 23-25 Biennium.

The Department estimates that it will take at least 2 years for 2.0 temporary Social and Health Program Consultants 2 (SHPC 2) FTEs to research the current state and characteristics of residential private schools and develop the rules, policy, and training for licensing these facilities. This will be more complex than group care facilities typically licensed and maintained by the licensing division of DCYF, because there is a separate educational component. DCYF will have to

closely coordinate with the Washington State Board of Education (WSBE) to clearly identify roles and responsibilities regarding the residential vs. educational requirements for these facilities.

Once this new license has been established, it will increase the number of facilities to be licensed. There are currently 12 residential private schools registered with WSBE and DCYF estimates approximately 12 more unregistered Washington state residential private schools for a total of 24 facilities. DCYF believes that all of these facilities would have to be licensed, including those accredited by WSBE. There is an exemption to licensing for facilities that have an accreditation that covers student living accommodations, but there are no known accrediting bodies (including WSBE) that accredit the living accommodations at these schools. Current caseloads for licensing group care facilities are an average of 14 facilities per FTE. The Department estimates it would take 2.0 ongoing Social and Health Program Consultants 2s (SHPC 2) to maintain this new caseload.

Total costs including salaries, benefits, equipment, goods and services, travel, and admin support:

FY24: \$265,000
FY25: \$251,000
FY26: \$251,000
FY27: \$251,000
FY28: \$251,000
FY29: \$251,000

Section 3 Investigations child abuse in facilities: The Department of Children, Youth and Families estimates \$315,000 (\$255,000 GFS) and 0.5 FTE in the 23-25 Biennium.

Based on information from the Department of Health (DOH) there are 10 facilities that meet the criteria of being substance use disorder treatment facilities, behavioral health services, or the WA Center for Deaf and Hard of Hearing described in section 3 of the bill. 24 residential private school facilities are also impacted by section 3 of the bill. The bill requires that these facilities are subject to additional Child Protective Service (CPS) investigation.

In 2022, out of 150 group care facilities, there were 190 investigations, so about 1.3 investigations per group care facility. The 10 facilities identified by DOH are thought to be particularly complicated with many safety risks, as noted by DOH. For this reason, it is assumed that investigations at these facilities will be twice the normal workload. These DOH facilities are therefore thought to generate an equivalent workload to approximately 26 investigations per year (1.3 investigations per facility * 10 facilities * 2 times the workload). The investigations at the residential private schools are assumed to be much more standard and would represent a workload of 31 investigations per year (1.3 investigations per facility * 24 facilities). Each investigator handles about 48 LD CPS investigations per year, so the increased workload 57 investigations would be the equivalent of approximately 1.2 Social Service Specialist 3 (SSS3) FTEs.

The addition of host homes to list of locations to investigate for child abuse is expected to not impact the total cost of these investigations due to the relatively small number of host homes.

Total costs including salaries, benefits, equipment, goods and services, travel, and admin support:

FY24: \$162,000
FY25: \$153,000
FY26: \$153,000
FY27: \$153,000
FY28: \$153,000
FY29: \$153,000

In addition to the costs above, the DCYF Board of Appeals predicts that based on the additional licensed facilities and additional CPS investigations there will be an increased in the number of facility licensing and CPS cases heard on appeal

from the Office of Administrative Hearings. However, the fiscal impact to DCYF from these additional cases is uncertain due to a lack of data on the potential increase in the overall number of cases.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Senate Bill 5515 states the following:

The purpose of this bill is to ensure that the health, safety, and well-being of children who are served in residential facilities and residential schools are protected against child abuse and neglect and have their basic health and safety needs met.

Section 3(3)(b) defines ‘residential school’ as not including state long-term juvenile institutions operated by the Department of Children, Youth, and Families (DCYF), county juvenile detention centers, or the Department of Corrections (DOC) facilities that incarcerate juveniles committed as adults.

Section 4(1)(i)(ii) defines ‘residential school’ as not including state long-term juvenile institutions operated by DCYF, county juvenile detention centers, or DOC facilities that incarcerate juveniles committed as adults.

Sections 2, 4, and 5 of this act take effect July 1, 2025.

Section 3 of this act takes effect January 1, 2024.

Substitute Senate Bill 5515 amends the following:

The purpose of this substitute bill is to protect children from abuse and neglect; amends RCW 26.44.210 and 74.15.020; adds a new section to chapter 74.15 RCW; adds a new section to chapter 71.24 RCW; creates new sections; and provides effective dates.

Sections 2 and 4 of this act take effect July 1, 2025.

Section 3 of this act takes effect January 1, 2024.

Engrossed Substitute Senate Bill 5515 amends the following:

The purpose of this engrossed substitute bill is to protect children from child abuse and neglect at residential facilities and residential private schools; amends RCW 26.44.210 and 74.15.020; adds a new section to chapter 74.15 RCW; adds a new section to chapter 71.24 RCW; creates new sections; and provides effective dates.

Section 7 states that if any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Section 8 states that sections 2 and 4 of this act take effect July 1, 2025.

Section 9 states that section 3 of this act takes effect January 1, 2024.

5515 ES SB ANG GSEK H1744.1 keeps the same language as the ESSB which states:

This bill states that beginning July 1, 2025, residential private schools are considered ‘agencies’ subject to the DCYF licensure provisions, and DCYF must license the living accommodations provided by residential private schools.

It also states that DCYF must engage in negotiated rule making with the School Board of Education (SBE) and other affected interests to adopt minimum health and safety rules to implement the licensing requirement. A residential private school is exempt from DCYF licensing requirements if accredited by an accrediting body approved by the SBE in

accordance with the SBE's accreditation standards and procedures, and the accreditation covers the student living accommodations.

This bill states that DCYF must submit to the Legislature by July 1, 2025, a preliminary progress report on licensing and oversight of residential private schools, with a final report due no later than July 1, 2026.

Beginning January 1, 2024, DCYF must investigate all referrals of alleged child abuse or neglect occurring at licensed substance use disorder treatment facilities, behavioral health services entities, and residential private schools. DCYF then must determine if the allegation is founded and whether referral to law enforcement is appropriate. Involved facilities must share with DCYF records and other information relevant to the investigation. DCYF must send copies of the investigation report and finding to the administration of the facility in which the incident occurred and to the state agency that provides the program's licensure, oversight, or accreditation.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

We assume this bill will have no fiscal impact to (DOC).

Part III: Expenditure Detail

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

ESSB 5515 AMH HSEL H1744.1 Compared to ESSB 5115

Section 3(1)(a): Expands the locations that the Department of Children, Youth and Families (DCYF) must investigate all referrals of alleged child abuse or neglect occurring to include:

- Substance use disorder treatment facilities licensed under 71.24 RCW that treat patients on a residential basis;
- Entities that provide behavioral health services as defined in RCW 71.24.025 on a residential basis; and
- Host homes as described in RCW 74.15.020(2)(o).

Section 3(3): Adds a definition for “residential private school”.

Summary of ESSB 5515 AMH HSEL H1744.1

Section 1 (New)

Intent and resolution section.

Section 2 (New)

Section 2(1)(a): Requires the Department of Children, Youth, and Families (DCYF) to license the living accommodations provided by residential private schools as defined in RCW 74.15.020.

Section 2(1)(b): Informs that a residential school is exempt from the licensing requirements of (a) of this subsection if:

- i. The residential private school is accredited by an accrediting body approved by the State Board of Education (SBE) in accordance with accreditation standards and procedures established by SBE under RCW 28A.305.130.
- ii. The accreditation covers the student living accommodations including examination of comparable criteria as listed in subsection (2) of this section as determined by SBE in consultation with DCYF.

Section 2(2):

- Requires DCYF to engage in negotiated rule making pursuant to RCW 34.05.310 (2) (a) with SBE and other affected interests to adopt minimum health and safety rules to implement this section.
- Details what the rules must address.

Section 3 (Amended)

Section 3(1)(a): Language added requiring DCYF to investigate all referrals of alleged child abuse or neglect occurring at the Washington Center for Deaf and Hard of Hearing Youth, substance use disorder treatment facilities licensed under chapter 71.24 RCW that treat patients on a residential basis, entities that provide behavioral health services as defined in RCW 71.24.025 on a residential basis, host homes as described in RCW 74.15.020 (2) (o), and residential private schools as defined in this section.

Section 3(1)(b): Language added that after investigating an allegation of child abuse or neglect under this section, DCYF is required to determine whether there is a funding of abuse or neglect and determine whether a referral to law enforcement is appropriate under this chapter.

Section 3(1)(c): Language added that requires DCYF to adopt rules to implement this section.

Section 3(1)(d): Language added that requiring any facilities referenced under (a) of this subsection where DCYF is investigating child abuse or neglect shall share records and any other information that is relevant to the department’s investigation. Any records or information shared with DCYF retains any otherwise existing confidentiality protections under state or federal law.

Section 3(2):

- Strikes language pertaining to the state school for the deaf, the director of the Washington Center for Deaf and Hard of Hearing Youth, or director’s designee.
- Strikes language allowing DCYF to include recommendations to the director and the board of trustees or its successor board for increasing the safety of the school’s students.
- Language added requiring DCYF to send a copy of the investigation report, including the finding, regarding any incidents of alleged child abuse or neglect to the administration of the facility in which the incident occurred and to the state agency which provides licensure, oversight, or accreditation to the program at the facility in which the incident occurred.

Section 3(3): Defines “residential private school”.

Section 4 (Amended)

Section 4(1): Modified the definition of “agency” to include residential private school.

Section 4(1)(i): Definition for “residential private school” was added.

Section 4(2)(f): Strikes “schools, including boarding” and adds nonresidential.

Section 5 (New)

Requires any substance use disorder treatment facilities and entities that provide behavioral health services where DCYF is investigating child abuse or neglect, as provided for under RCW 26.44.210, shall share records and any other information that is relevant to DCYF’s investigation.

Section 6 (New)

Requires DCYF to submit to the appropriate committees of the legislature, in compliance with RCW 43.01.036, a preliminary progress report on licensing and oversight of residential private schools no later than July 1, 2025, and final report no later than July 1, 2026.

Section 7 (New)

Informs that if any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Section 8 (New)

Informs that sections 2 and 4 of this act take effect July 1, 2025.

Section 9 (New)

Informs that section 3 of this act takes effect January 1, 2024.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

No cash receipts impact anticipated.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

OSPI Expenditure Impact:

No expenditure impact to OSPI. This bill does not require OSPI to do anything.

SBE Expenditure Impact:

To implement Section 2, the State Board of Education (SBE) would need enter in to negotiated rulemaking with the Department of Children, Youth, and Families (DCYF) as it develops rules during FY24 and FY25. In addition, SBE would work collaboratively to ensure that SBE’s existing oversight and approval process is modified as necessary to coordinate it with processes administered by DCYF.

Section 2 also requires SBE to determine whether existing accreditation covers the student living accommodations, including examination of comparable criteria used by DCYF for other residential facilities, in consultation with the department. SBE estimates that up to five different accrediting organizations currently accredit existing residential schools. Staff time would be required to gather and analyze information from the accrediting bodies and compare to the DCYF criteria.

Implementation of Section 2 would require:

0.1 FTE Program Manager; \$11,000 during FY24

0.1 FTE Program Director; \$17,000 during FY24

Finally, we will follow up as necessary on Section 3(2) investigation reports, which we estimate will occur at a frequency of 1 per year.

Implementation of Section 3 would require:

0.1 FTE Program Manager; \$11,000 during FY25; \$11,000 for all subsequent fiscal years

Cost estimates above include salaries and benefits plus goods and services.

Part III: Expenditure Detail

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

CDHY continues to have no fiscal impact with this bill. The agency has mandatory reporting requirements and guidelines in place to ensure the safety of the students on campus and at the agency.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
