## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The AGO Labor and Industries Division (LNI) has reviewed this bill and determined it will not significantly increase or decrease the division's workload in representing the Department of Labor and Industries (L&I). As the revised bill removes provisions relating to L&I defining certain terms in rules, L&I enforcement and penalties, and the July 1, 2024, effective date, L&I has no material additions to its legal obligations and any minor incidental legal services work is considered nominal and costs are not included in this request.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

No fiscal impact. This legislation will not measurably increase the appeal workload for the Office of Administrative Hearings (OAH).

This amended legislation moves the bill under 49.44 RCW and removes enforcement and rulemaking requirements by the Department of Labor & Industries (L&I). L&I does not enforce 49.44 RCW. There is no longer civil penalties requiring collections, thus nothing to appeal to OAH.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. ## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill prohibits employers from searching employee personal vehicles except under certain exceptions and prohibits employers from taking any adverse action against an employee for exercising any right under this bill. The bill adds a new section to 49.44 RCW.

2SHB 1491 AMS WM S2966.1 is different from 2SHB 1491 in that it:

- Codifies provisions prohibiting an employer from searching an employee's vehicle in the employer's parking areas in chapter 49.44 RCW, relating to prohibited labor practices, instead of in the Industrial Welfare Act.
- Removes provisions relating to L&I defining certain terms in rules, L&I enforcement and penalties, and the July 1, 2024, effective date.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

None.

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

This amendment moves the bill under 49.44 and removes L&I enforcement and rulemaking requirements. No fiscal impact to L&I.
