Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

SB 5887 adopts new and updated language from the Uniform Accountancy Act (UAA) from the American Institute of Certified Public Accountants (AICPA). These changes include language around CPA firm owners, practices prohibited and not prohibited and acts that can result in revoked, suspended, etc license.

Updates and adds definitions for Substantial Equivalency (SE), Practice Privilege and CPA Firms.

Amends Experience requirements to as determined by the Board (mimicking existing language for education and examination)

Amends mobility Practice Privileges from specified licensure requirements to a licensee from another state that is deemed SE.

These changes will have little to no impact on current operation and can be absorb within current resources.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
