## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

No Fiscal Impact: Because the Commission is a non-appropriated, non-allocated agency, all the costs associated with the contemplated legislation connected to the Commission will flow through the Commission's operating funds, therefore the Commission believes it has no fiscal impact on the state's budget.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

## **Part IV: Analysis**

### **A. SUMMARY OF BILL**

*Description of the bill with an emphasis on how it impacts local government.*

This bill creates a task force to report findings and recommendations on housing cost drivers to the legislature by December 1, 2025. Members of the task force must include one member representing counties and one member representing cities.

Legislative members of the task force are reimbursed for travel expenses in accordance with RCW 44.04.120. Non-legislative members are not entitled to be reimbursed for travel expenses if they are elected officials or are participating on behalf of an employer, governmental entity, or other organization. Any reimbursement for other non-legislative members is subject to chapter 43.03 RCW.

### **B. SUMMARY OF EXPENDITURE IMPACTS**

*Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.*

This bill will have de minimus and indeterminate expenditures for the two local government members of the task force.

It is unknown if travel will be required of local government members of the task force or if their involvement will allow virtual meetings/calls.

If travel is required of local government members representing counties and cities, and if those local government members are legislative members then they will be reimbursed for travel and will incur no travel expenses.

If travel is required of local government members, and if those local government members a) are not legislative members, and b) are elected officials, then they will not be reimbursed for travel expenses. It is unknown whom the local government members representing cities and counties will be and whether or not they will incur travel expenses.

In addition to travel costs, local government members of the task force are expected to incur costs for the time spent researching, analyzing, and determining the primary cost drivers for housing in Washington state. For the purposes of this fiscal note, the LGFN program assumes this work is part of the members' regularly assigned duties and will incur no additional cost to local governments.

### **C. SUMMARY OF REVENUE IMPACTS**

*Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.*

This bill will not impact local government revenues.
