Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

House Bill 1889 amends various state RCW to bar state agencies and regulatory authorities from denying certification and licensing to someone solely based on their immigration or citizenship status.

The Board of Registration for Professional Engineers & Land Surveyors (BORPELS) does not consider immigration or citizenship status when screening licensing applications. Therefore, this legislation will have no material impact on the agency's operations and finances.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill amends RCW 18.130 (Regulation of health professions—Uniform disciplinary act) to state that an individual who is not lawfully present in the United States is eligible for a license as allowed under Title 8 U.S.C. Sec. 1621. Disciplining authorities shall not deny a license solely on the basis of a person's immigration or citizenship status if the person has met all other qualifications for a license.

This bill does not require the Department of Health (department) to adopt rules or perform additional work as the department's licensing system is already set up to accommodate the desired outcome of the bill. Therefore, the department assumes no fiscal impact.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates.
