Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill makes non-substantive, technical amendments to the statute regarding when employers receive relief of benefit charges to help the statute better reflect the agency's current policies and practices. After review by the Employment Security Department legal team, Unemployment Insurance Customer Service division, IT Division, and Policy group, it has been determined that there is no fiscal impact with this proposed bill.

Part V: New Rule Making Required

Provisions of the bill that require the agency to adopt new administrative rules or repeal/revise existing rules.

This bill will not require rulemaking. However, adjustments to WAC 192-320-070 may need to be done to explicitly make sure the rule is in lockstep with the statute. Those adjustments may need to be completed regardless as part of rulemaking to implement HB 1106 (2023).
