Attorney General’s Office (AGO) Agency Assumptions:

This bill has an emergency clause and is assumed to be effective immediately.

Location of staffing is assumed to be in a King County office building.

Total workload impact in this request includes standard assumption costs for goods & services, travel, and capital outlays for all FTE identified.

Agency administration support FTE are included in the tables. The Management Analyst 5 FTE (MA), is used as a representative classification. An example ratio is for every 1.0 Assistant Attorney General FTE (AAG), the AGO includes 0.5 Paralegal 1 FTE (PL) and 0.4 MA.

1. Assumptions for the AGO CPR Legal Services:

FY 2025 and FY 2026: AAG duties will include investigating potential violations, drawing conclusions from investigations, drafting Civil Investigative Demands (CID), and discovery requests in addition to drafting and filing pleadings. PL1 and Paralegal 2 (PL2) duties will include managing documents, drafting CID, discovery requests, and managing responses. Senior Investigator (INV) duties will include interviewing witnesses, reviewing investigative records such as consumer leases, and attending to other investigative tasks as assigned. \$31,000 total direct litigation costs in FY 2025 and FY 2026. Depositions to aid in enforcement (\$3,000 each, estimated six depositions = \$18,000); travel expenses for depositions, witness interviews, and other (\$3,000); e-document management costs (\$10,000).

FY 2027: AAG duties will include investigating potential violations, drawing conclusions from investigations, drafting CID, and discovery requests in addition to drafting and filing pleadings. PL1 and PL2 duties will include managing documents, drafting CID, discovery requests, and managing responses. Depositions to aid in enforcement (\$3,000 each, estimated three depositions = \$9,000); travel expenses for depositions, witness interviews, and other (\$2,000); e-document management costs (\$5,000).

AGO CPR activities are funded with General Fund-State dollars. CPR enforces the Consumer Protection Act (CPA) with respect to conduct that is made unlawful under RCW 19.86.020, which broadly prohibits unfair or deceptive acts or practices in trade or commerce. CPR focus is on representations and failures to disclose terms and conditions.

CPR: Total King County workload impact:

FY 2025: \$557,000 for 1.0 AAG, 0.8 INV, 0.8 PL2, and 0.5 PL1, which includes direct litigation costs of \$31,000.

FY 2026: \$480,000 for 0.8 AAG, 0.8 INV, 0.8 PL2, and 0.4 PL1, which includes direct litigation costs of \$31,000.

FY 2027: \$243,000 for 0.5 AAG, 0.3 INV, 0.3 PL2, and 0.3 PL1, which includes direct litigation costs of \$16,000.

2. Assumptions for the AGO Administrative Division’s (ADM) Legal Services:

FY 2025: The Senior Policy Analyst (PA) will do research, consultation for the model lease provisions regarding rent and fee increases as described in the bill, and complete and publish the final product. Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1: A new section introduces HB and the need to address the affordable housing crisis in Washington State.

Section 105: A new section adds language to RCW 59.18 that requires the Department of Commerce to create and maintain an online landlord resource center to distribute laws, guidelines, and resources on programs available for landlords and tenants. This resource center will publish documentation provided by the Washington State Attorney General's office; the resources center must be prepared to publish the ATG documents before January 1, 2025. This section will require a minor impact on Commerce that can be absorbed into the current staffing. Website changes and information/resource gathering should take less than 40 hours for the entire year. Ongoing maintenance and updating will take minimal time; therefore, there will be no fiscal impact on the Department of Commerce.

Section 106(3)(c): Requires landlord to provide written notice; this subsection omits exempt organizations from this requirement; therefore, there is no fiscal impact to the Department of Commerce.

Section 107(1)(c): Provided further guidelines for landlords on rent increase notices; this subsection omits exempt organizations from this requirement; therefore, there is no fiscal impact to the Department of Commerce.

Section 108(1)(f)(iii): Adds provisions for tenants to terminate rental agreements due to rent increases. This subsection exempts nonprofit organizations from this requirement; therefore, there is no fiscal impact on the Department of Commerce.

Section 205(2-3): Omit exempt organizations from this landlord requirement; therefore, there is no fiscal impact on the Department of Commerce.

Section 207(2)(j): provides landlords of mobile homes guidance around late fees; section sites the Department of Commerce's "Monthly Labor Review and Handbook of Labor Statistics" but has no fiscal impact on the Department of Commerce.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Section 105 requires the Department to create and maintain an online landlord resource center to distribute laws, guidelines, and resources on programs available for landlords and tenants. This section will create a minor impact on Commerce that can be absorbed into current staffing levels. Website changes and information/resource gathering should take less than 40 hours for the entire year.
