II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 3 (1) Creates within the Department of Health, the council of health care coordination for justice-involved youth and adults. The purpose of the council is to address coordination and communication between federally recognized tribes and state and local agencies that house individuals in confinement settings.

Section 3(2)(a) Establishes the members of the council, with includes a physician appointed by the Secretary of Health, and a member with lived experience using the health care system in an institution of confinement.

Section 3(2)(c) states that members of the council will serve without any compensation but will be reimbursed for travel while attending council meetings or on official council business. The department must provide stipends for council members per RCW 43.03.220.

Section 3(3) states that the chair of the council will be the physician appointed by the Secretary of Health. This physician will be fully dedicated to council duties.

Section 3 (4) states that the council will have four dedicated full-time staff to support the work of the council. Positions are identified as: a data analyst, an administrative assistant, and two epidemiologists.

Section 3 (5) establishes that the council will meet at least quarterly, and additional meetings may be called at the written request of eight members.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Section 3 Assumptions:

There will be at least 6 meetings per year. At least 2 members of the council will be eligible for a stipend based on RCW 43.03.220. At least 50% of the participants will require travel support. Assuming 150 miles round trip at \$0.67 per mile. At least 3 participants will require dependent care reimbursement: \$100 per participant per meeting. Assuming 3% increase in reimbursement per year. Meeting Notes and all meeting materials will need to be translated into at least the top 7 spoken languages in Washington state. The maximum word count in need of translation per meeting is 1,500 words. The cost of Marshallese, Mandarin, and Cantonese are all based on estimates from other top languages. Assuming translation costs raise by \$0.02 per word per year.

Section 3(2)

To support the community engagement aspect of the council regarding general group management and compensation. The department would need an additional 0.5 FTE of a Health Services Consultant 3.

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill intends to address the challenges in coordination and communication related to the health of individuals housed in confinement settings. The bill recognizes the importance of health in correctional institutions and other confinement settings for public health and reentry.

To address these issues, the bill proposes the creation of a new council within the Department of Health supported by representatives from several state agencies including the Department of Corrections, local governments, federally recognized tribes, and other relevant parties. This council is required to submit a report on the council's activities accomplished in the prior year to the governor and the appropriate committees of the legislature in compliance with RCW 43.01.036.

Effective date is assumed 90 days after adjournment of the session in which this bill is passed.
