## **Part IV: Analysis**

### **A. SUMMARY OF BILL**

*Description of the bill with an emphasis on how it impacts local government.*

This bill would amend RCW 36.57A.050 to add two transit users as voting members to the governing body of public transportation benefit areas. One transit-using voting member must primarily rely on public transportation systems for transportation and the other must represent an organization that serves individuals who are primarily transit dependent.

### **B. SUMMARY OF EXPENDITURE IMPACTS**

*Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.*

Adding two members to the governing body would increase administrative and travel costs for the public transportation benefit area. Each member of the authority is eligible to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060 and to receive compensation, as set by the authority, in an amount not to exceed forty-four dollars for each day during which the member attends official meetings of the authority or performs prescribed duties approved by the chair of the authority. Since participation and travel cannot be estimated, this impact is indeterminate.

### **C. SUMMARY OF REVENUE IMPACTS**

*Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.*

This bill would not impact local government revenues.
