Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill amends RCW 41.04.665, the leave sharing program, to allow an employee to receive shared leave for an emergency or disaster as defined in RCW 38.52.010. It also amends subsection (1)(d)(iii) that an employee must deplete or shortly deplete their annual leave (meaning the employee will need to deplete all leave types except annual leave - the employee could maintain 40 hours of vacation leave), as relating to receiving shared leave for an emergency or disaster.

The bill requires an update to civil service rules and relevant portions of collective bargaining agreements. This work can be absorbed within existing resources. There is no fiscal impact to OFM.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
