## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1 requires Department of Children, Youth, and Families (DCYF) to conduct a study to improve its risks, strengths, and needs assessment tool used in the risk assessment process when investigating alleged child abuse and neglect referrals described in RCW 26.44.030(19).

Section 2(19) requires the child abuse referral tool to be certified at least once every three years based on current academic standards for assessment validation, and can be certified by the office of innovation, alignment, and accountability or an outside researcher.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

Section 1:

DCYF assumes a minimal amount of workload increase related to conducting a study to improve its risks, strengths, and needs assessment tool. The department assumes no fiscal impact.

Section 2(19):

DCYF already has processes in place that certifies the department's child abuse referral tool. The department assumes no fiscal impact.
