Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

HB 2240 relates to the administration of the Board of Tax Appeals. Section 2 states that the board members must receive an annual salary as fixed by the governor pursuant to RCW 43.03.040.

The Office of the Governor estimates this work can be accomplished within current resources and therefore doesn't have a fiscal impact.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1 of the bill ensures that governmental experience in property valuation is considered as qualifying experience to be a board member.

Sections 2, 4, 5 and 6 changes the references from "tax referees" to "tax appeals officers" to describe the Board's hearing officers. Section 2 also removes the two named administrative positions because they are covered in the general list of positions.

Section 3 codifies the ability of the board to appoint a pro tem member to hear full board cases when one member is unavailable.

Section 7 corrects the salary reference to match that of other full-time boards.

The agency has reviewed all of these changes and they will have no fiscal impact on the board.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures
