Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This proposed legislation amends RCW 74.46.485, 74.46.496, and 74.46.501 and reenacts and amends RCW 74.46.020. Sections 1 reenacts and amends RCW 74.46.020 to remove resource utilization groups (RUG) as a definition. Section 2 amends RCW 74.46.485 to revise the case mix methodology by removing the RUG classification and allowing the Department of Social and Health Services (DSHS) to employ a method for a case mix system and to develop and implement rules to indicate the data used. Sections 3 and 4 amend RCW 74.46.496 and 74.46.501 to remove the case mix weight references related to the RUG classification and directs the case mix weights to be based on finalized case mix weights published by the Centers for Medicare and Medicaid Services (CMS).

It is assumed that the impact from this bill is indeterminate.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.
