## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The substitute changed section 3 by modifying the communication requirements that an involved agency will not divulge information that isn't publicly available to an involved officer or witness officer and any press release containing information provided by OII pursuant to this section must be preapproved by OII. Changes made in the substitute bill did not change the Office's previous fiscal note assumptions.

This bill is designed to address technical corrections and does not change the scope or amount of work that will be done by the Office of Independent Investigations. The changes do not have any fiscal impact based on the policies and protocols created to do this work.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates.
