# HCA Fiscal Note

Bill Number: **1929 HB**

HCA Request #: 24-017 (Revised) Title: **Postinpatient Housing**

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

HB 1929 adds new sections to Public Assistance, Medical Care Revised Code of Washington (RCW) Chapter 74.09 and creates a new section to support young adults, aged 18-24, following inpatient behavior health treatment by requiring the Health Care Authority (HCA) to create a new residential program in two locations.

#### New Sections

**Section 2 (3) (a)** requires HCA to create post-discharge therapeutic transitional housing programs within both Eastern and Western Washington and consult with a transition support provider when soliciting and selecting a community-based organization (CBO) or organizations. Each program is required to have six to 10 beds and have the capacity to allow for up to a 90-day stay.

**Section 2 (3) (b)** requires HCA to provide additional funding to the transition support provider for consultation and training services to the program and additional funding for return-to-community planning for individuals served by the program.

**Section 2 (3) (c)** requires HCA to provide flexible funding for individuals served by the residential program to support their immediate needs, such as car repair or transportation assistance; rental application fees, security deposit or short-term rental assistance; or other uses that help support the person’s housing stability, education, employment, or basic needs.

### II. B - Cash Receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.*

Fiscal impacts associated with this bill would be eligible for Federal Financial Participation (FFP) of 25 percent match for Full Time Equivalent (FTE) costs.

ACCOUNT	REV SOURCE	FY-2024	FY-2025	FY-2026	FY-2027	FY-2028	FY-2029	2023-25	2025-27	2027-29
General Fund-Federal 001-2	0393	-	26,000	49,000	49,000	49,000	49,000	26,000	98,000	98,000
<b>REVENUE - TOTAL \$</b>		<b>\$ -</b>	<b>\$ 26,000</b>	<b>\$ 49,000</b>	<b>\$ 49,000</b>	<b>\$ 49,000</b>	<b>\$ 49,000</b>	<b>\$ 26,000</b>	<b>\$ 98,000</b>	<b>\$ 98,000</b>

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.*

HCA requests \$1,476,000 (\$1,450,000 General Fund-State (GF-S)) funding and 0.3 FTE staff in the 2023-25 biennium, \$4,529,000 (\$4,431,000 GF-S) funding and 1.0 FTE staff in the 2025-27 biennium, and \$4,404,000 (\$4,306,000 GF-S) funding and 1.0 FTE staff in the 2027-29 biennium and ongoing thereafter.

# HCA Fiscal Note

Bill Number: **1929 HB**

HCA Request #: 24-017 (Revised) Title: **Postinpatient Housing**

**Section 2 (3)** will require additional resources.

**Facility Program Requirement**

- \$1,052,000 GF-S in the 2023-25 biennium, \$3,954,000 GF-S in the 2025-27 biennium and ongoing for Community-Based Organization (CBO) or organizations to operate the post inpatient residential program or programs. Costs for two facilities, one on each side of the state.

**Homebase Temporary Supportive Housing for Young Adults Facility**

Voluntary, short term, overnight program, non-crisis. Assumptions made that each facility will be a six to 10 bed facility. The request is for two facilities. Workforce development will be required for peer specialists. This facility will follow all regulations for supportive housing facilities and will contract with a Behavioral Health Agency (BHA).

1. Provide an interim housing option post inpatient treatment for young people (age 18-24);
2. Provide supportive housing for individuals exiting behavioral health (BH) treatment within the last month and no secure long-term housing, with capacity to allow for up to a 90-day stay.
3. CBO with expertise in BH and homelessness;
4. Six to 10 bed facilities - one each side of the state;
5. Consultation and training services for return to community;
6. Provide flexible funding;
7. Enty will contract in community with BHA for BH support, peer support and medication management.

**Other Goods and Services**

- \$125,000 GF-S in the 2023-25 biennium and \$125,000 GF-S in the 2025-27 biennium for other goods and services required to meet the needs of the residential program or programs selected. Costs for two facilities, one on each side of the state.

**Consultation and Training Requirement**

- \$200,000 GF-S in the 2023-25 biennium, \$80,000 GF-S in the 2025-27 and ongoing for consultation and training services to the residential program or programs selected.

**Staffing**

- 1.0 FTE Washington Management Service. Start date of January 1, 2025, ongoing to administer and oversee management and implementation of the post inpatient housing program(s), including the design for young adult specific facility type. Annual salary and benefits cost for 0.5 FTE of \$69,000 (\$52,000 GF-S) in the 2023-25 biennium, and 1.0 FTE for \$138,000 (\$104,000 GF-S) per year in the 2025-27 biennium ongoing. (Eligible for a 25 percent FFP match).

Goods and services, travel, and equipment are calculated on actual program averages per FTE.

Administrative costs are calculated at \$35,000 per 1.0 FTE. This cost is included in Object T based on HCA's federally approved cost allocation plan.

HCA assumes a start date of January 1, 2025.

\*\*\* Please note that HCA assumptions and fiscal estimates are based off of the assumption that this legislation is intending to fund two new supportive housing facilities (\$1,008,000 GF-S per facility for year two and ongoing). If the intent is to fund two residential facilities, the cost per facility would be \$1,189,000 (\$706,000 GF-S) for year two and ongoing per facility. \*\*\*

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill relates to supporting young adults following inpatient behavioral health treatment.

The Department of Social and Health Services (DSHS) anticipates no caseload or workload impacts associated with the implementation of this bill, and therefore no fiscal impact.

The department does not currently provide services specific to young people exiting behavioral health inpatient treatment, nor homelessness services, and does not anticipate involvement in the work necessary to meet the requirements of this bill. Furthermore, RCW Chapter 74.09 implicates the Health Care Authority (HCA) as the responsible party for the postinpatient housing program for young adults via contracted community-based provider.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

House Bill 1929 adds a new chapter to 74.09 RCW (Medical Care) to create a postinpatient housing program for young adults exiting the system of care to be administered by the Health Care Authority. The Department of Health is not mentioned as a participant in this bill or required to do any new work, therefore no fiscal impact.
