## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1 is a new section added to chapter 79.24 RCW that establishes the Washington state law enforcement memorial names committee. This committee shall determine which names of fallen law enforcement officers shall appear on the Washington state law enforcement memorial. Approved names shall be forwarded to Department of Enterprise Services (DES) for inclusion on the memorial.

This has indeterminate fiscal impact to the Department of Enterprise Services.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

The Department of Enterprise Services (DES) is not presently responsible for the engraving of names of fallen law enforcement officers on the Law Enforcement Memorial, nor does DES have staff who are qualified to do this work. In order to implement this legislation DES would need to hire a contractor to engrave approved names on the memorial. We assume the cost to range from \$2,000 to \$3,000 per name. Due to the uncertain nature of the likelihood and timing of fallen law enforcement officers, as well as the newly established Committee's referral of names to DES, DES has no way to predict the number of names to be added annually. Therefore, we assume an indeterminate fiscal impact, likely to be less than \$50,000 per year.
