Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

- 11% to the Health Care Authority.
- 1.5% to counties, cities, and towns with licensed cannabis retail locations.
- 3.5% on a per capita basis to counties, cities, and towns allowing licensed cannabis producers, processors, or retailers.
- 32% to the General Fund.

PROPOSAL:
This bill dedicates the state's share of cannabis tax to counties and cities to attract and retain commissioned law enforcement officers.

Under this bill, the 32% of funds currently deposited in the General Fund will be redirected to counties, cities, and towns on a per capita basis.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1(3c)(iii) directs an additional 32% (on top of the existing 5%) of the Section 3 distribution to local governments, with the stipulation that at least 50% of funds must be used solely for attracting and retaining additional commissioned law enforcement officers; and any remaining amount may be used for criminal justice purposes (defined in this subsection).

Section 1(3d) is deleted (referring to the 32% of section 3 to General Fund-State).

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Section 1(3c)(iii) directs an additional 32% (on top of the existing 5%) of the Section 3 distribution to local governments, with the stipulation that at least 50% of funds must be used solely for attracting and retaining additional commissioned law enforcement officers; and any remaining amount may be used for criminal justice purposes (defined in this subsection).

Section 1(3d) is deleted (referring to the 32% of section 3 to General Fund-State).

The effect of this change is to eliminate the Section 3 distribution to General Fund-State and distribute it to the local governments instead.

The General Fund-State impact is shown below, based on the November 2023 Cannabis Revenue & Distribution forecast:

NOTE: the cannabis forecast is only available through FY27, so FY28/29 are duplicates of FY27. In addition, it is assumed that the first distribution that the change would take effect is the September 2024 distribution.

FY25: ($158,153,463)
FY26: ($164,485,066)
FY27: ($169,852,473)
FY28: ($169,852,473)
FY29: ($169,852,473)

II. C - Expenditures
