Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

CHANGES BETWEEN THIS VERSION AND PRIOR VERSION OF THE BILL:

The proposed substitute directs the Department of Children, Youth and Families to provide cost estimates for a pilot program in jurisdictions with populations greater than 100,000. The original bill limited the jurisdictions to those over 250,000 people. This change does not create fiscal impacts for local governments.

SUMMARY OF BILL:

Sec. 1 creates a new section. The Department of Children, Youth, and Families (DCYF) shall conduct a feasibility study and provide cost estimates for a pilot program to award start-up grants, in local jurisdictions over 100,000 persons, to assist in the establishment and operation of child care programs and services with nonstandard hours for the minor children of individuals in high demand professions including, but not limited to, peace officers and criminal justice personnel, firefighters, medical professionals in rural areas, and construction workers during shift work and abnormal work hours. A report is due to the governor and relevant committees of the legislature by July 1, 2025.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

The legislation would have no expenditure impacts for local governments.

According to the Office of Financial Management population estimates from April, 2023, the following counties have more than 100,000 people: Benton County, Clark County, Cowlitz County, Franklin County, Grant County, King County, Kitsap County, Pierce County, Skagit County, Snohomish County, Spokane County, Thurston County, Whatcom County, and Yakima County. The following cities have more than 100,000 people: Vancouver, Tacoma, Spokane Valley, Spokane, Seattle, Renton, Kent, Federal Way, Everett and Bellevue. The Local Government Fiscal Note Program assumes the DCYF study would focus on law enforcement agencies in these counties and cities.

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

The legislation would have no revenue impact for local governments.
