Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Note: This fiscal note reflects language in SHB 2195, 2024 Legislative Session.

COMPARISON OF SUBSTITUTE BILL WITH ORIGINAL BILL:

The substitute bill eliminates changes to distributions from capital gains tax revenues.

CURRENT LAW:

Washington's capital gains tax became effective January 1, 2022. The tax is imposed on the sale or exchange of long-term capital assets. Only individuals are subject to payment of the tax. However, individuals can be liable for the tax because of their ownership interest in a pass-through or disregarded entity that sells or exchanges long-term capital assets. The tax equals 7% multiplied by an individual's Washington capital gains.

All revenues collected during fiscal year 2024 are distributed as follows:

- The first \$524 million is deposited in the Education Legacy Trust Account.
- Any remaining amounts are deposited into the Common School Construction Account.

The Department of Revenue (department) adjusts amounts deposited into the Education Legacy Trust Account for inflation each year.

PROPOSAL:

The proposal does not impact the department.

EFFECTIVE DATE:

This bill takes effect on July 1, 2025.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

This legislation results in no revenue impact on taxes administered by the department.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates.
