Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 3:

(1) If an adult entertainment establishment has received a citation describing a violation of RCW 49.17.470 or section 2 of this act, or associated rules from the department of labor and industries, and has not abated the violation within the time period provided in the citation, the board:

(a) May not issue or reissue a liquor license to the establishment until the department of labor and industries affirms the violation has been abated; and

(b) Must suspend or cancel the establishment's existing liquor license until the department of labor and industries affirms the violation has been abated.

(3) Requires LCB to modify its rule regarding prohibited conduct on premises with a liquor license (WAC 314-11-050) to implement the act & allow adult entertainment establishments to hold licenses under this chapter.

(4) For purposes of this section "adult entertainment establishment" or "establishment" has the same meaning as in RCW 49.17.470.

CHANGES MADE BY THE SUBSTITUTE:

Section 1(2) Provides that the employee training requirement does not include entertainers who are employees; requires the training by 1-1-2025 or within 30 days of hiring for recorded content and 120 days of hiring for live courses, whichever is later; requires the training be provided by a third party qualified professional; expands the topics for training; requires allowing entertainers to opt in to the trainings; and requires annual reports to L&I on the training.

Section 1(4) Requires an establishment to record accusations of customers having committed sex trafficking, prostitution, promotion of prostitution.

Section 1(5) Removes the requirement that a dedicated security person have no other duties between 9pm and 9am.

Section 1(8) Mandates L&I to share information of violations with the LCB.

Section 2(9) Removes the limitation on state agencies adopting certain laws regarding adult entertainment and the ability for local governments to adopt ordinances providing more protections for entertainers.

Section 2(9) Requires L&I to adjust certain dollar amounts every two years beginning in 2027, rather than every ten years beginning in 2034.

Section 2(10c) Provides a definition for entertainer.

Section 3(3) Requires LCB to modify its rule regarding prohibited conduct on premises with a liquor license (WAC 314-11-050) to implement the act & allow adult entertainment establishments to hold licenses under this chapter.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Section 3(3) Requires the board to modify its rule regarding prohibited conduct on premises with a liquor license (WAC 314-11-050) to implement the act & allow adult entertainment establishments to hold licenses under this chapter.

However, it is unknown what fee, if any, the board would set for an adult entertainment liquor license or endorsement to an existing liquor license.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

AGO COSTS (AS BOARD DIVISION): minimal

AGO projects that any increased provision of legal services will be nominal based on the small number of litigation, licensing and enforcement actions that would be likely to occur. Any advice on rulemaking is likely to last for one fiscal year.

PROJECT COSTS (AS BOARD DIVISION): \$53,700 in FY25

The Washington State Liquor and Cannabis Board ("Board") is currently in the middle of a project to upgrade the agency's internal licensing and enforcement systems. The Licensing, Enforcement, Education, and Administrative Data Systems (LEEADS) is expected to go live in FY 2025. There are change request costs associated with this legislation that will have to be submitted to the vendor. The estimated costs for these change requests is \$53,700 in FY25. Some examples of changes needed follow:

Project vendor costs for change requests: \$37,500

Agency vendor costs for training, development, documentation, etc: \$16,200

LICENSING DIVISION: \$8,941 in FY25

The agency anticipates 18 applications. According to the November 2020 AEA Committee Report, there are 11 adult entertainment facilities in Washington. Also, the agency anticipates interest from currently licensed liquor establishments that may convert to adult entertainment.

In addition, the division would have IT needs, including an identifier or coding (similar to endorsement) in the agency's licensing system that is connected to existing license privileges to track applications, licenses, potentially collect a fee, and ability to notify local authorities.

0.1 FTE Licensing Specialist Senior - \$8,941 (\$8,834 salary/benefits, \$107 in associated costs).

ENFORCEMENT DIVISION: \$13,421/yr ongoing

The Washington State Liquor and Cannabis Board ("Board") keeps detailed statistics on all of its enforcement activities and tracks this activity using a unit of measure called a Field Increment (FI). All direct enforcement activities such as premise checks, inspections and investigations are tracked to determine how many FI's are needed to accomplish each activity. Each FI is equivalent to 1/10th of an hour (6 minutes). For example, if a tavern premise check takes 2 FI's and two officers, it is anticipated that one check will consume 4 FI's. Using historical data to factor out indirect activities such as driving time, training, office time and leave, it has been determined that officers are available for an average of 4,220 FI's each year.

The agency anticipates a workload impact of 0.10 FTE LCB Enforcement Officer 2 (LEO2) ongoing from complaint

investigations, licensee support and education, premise checks, undercover operations, and more. Please see the attached "6105 SSB Adult Entertainment - Enforcement Field Increment Calculator.pdf" for workload calculations.

0.1 FTE LCB Enforcement Officer 2 - \$13,421/yr (\$11,835 salary/benefits, \$1,586 in associated costs).

INFORMATION TECHNOLOGY DIVISION: \$22,475 in FY25

There will be costs to implement this legislation:

Vendor costs to update the iSeries: \$6,000 (40 hrs x \$150/hr)

Staff costs: 0.1 FTE IT App Development - Senior/Specialist - \$16,475/yr (\$16,368 salary/benefits, \$107 in associated costs).

Part V: New Rule Making Required

Provisions of the bill that require the agency to adopt new administrative rules or repeal/revise existing rules.

See attached

Part II: Explanation

The proposed bill creates safer work conditions for adult entertainment establishments. The bill amends 49.17.470 RCW, adding a new section to chapter 49.46 RCW and adding a new section to chapter 66.24 RCW.

SSB6105 is different from SB6105 in that it:

- Excludes adult entertainers from workplace training requirement, but allows the entertainers to opt-in to workplace training.
- Allegations, not accusations must be tracked by the adult entertainment establishment and reported to Labor & Industries.
- It is mandatory that Labor & Industries share violation information with the Liquor & Cannabis Board.
- Adds a customer age requirement of 21 to be on the adult entertainment premises.

II. A – Brief Description of What the Measure Does that Has Fiscal Impact

Section 1(2): Adds that an adult entertainment establishment must provide training to its employees to minimize occurrences of unprofessional behavior and enable employees to support entertainers in time of conflict. These establishments must require all employees to take the training within 30 days of hiring, and at least every two years thereafter. The training content must be developed by a third party, with training topics to include but not limited to:

- Preventing sexual harassment;
- Information on how to identify and report human trafficking;
- Conflict de-escalation; and
- Provide first aid.

Section 1(3): An adult entertainment establishment must provide an accessible panic button in each room in the establishment where an entertainer may be alone with a customer, and in bathrooms and dressing rooms. The establishment must provide L&I, at least annually, proof of compliance and maintenance records of the panic buttons.

Section 1(4): An adult entertainment establishment must have a written process and procedure accessible to all employees and entertainers for submitting allegations. The establishment must provide information collected from any allegations to L&I annually.

Section 1(5): Adds that an adult entertainment establishment must provide at least one person on the premises during business hours whose primary duty is security and the department may adopt rules to require additional security based on:

- The size of the establishment;
- The layout and floor plan of the establishment;
- The occupancy and patron volume;
- Security cameras and panic buttons; and
- The history of security events at the establishment.

Section 1(8): Indicates that L&I must share enforcement and compliance activity in Section 1 with LCB.

Section 2: Adds a new section to 49.46 RCW. (7): L&I may enforce subsections 2-6 of this section and any applicable rules. Any amounts owed to an entertainer under this section may be enforced as a wage payment requirement under RCW 49.48.082. Any other violations may be enforced as an administrative violation under this chapter and any applicable rules. L&I must share enforcement and compliance with this section as necessary for the purposes of section 3. (8): L&I may adopt rules. (9): L&I must adjust the dollar amount in subsection (3) every 2 years, beginning January 1, 2027, based on the consumer price index during that time period.

Section 3: Adds new section to chapter 66.24 RCW. (1): if an establishment has received a citation describing a violation of RCW 49.17.470 or section 2 of this act, or associated rules from L&I and has not abated the violation within the time period provided in the citation, the board:
