## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Engrossed second Substitute House Bill 1541 increases access and representation in policymaking for people with direct lived experience. Based on previous funding provided in the 2023-25 Biennial Budget, the Office of Equity would like to revise their previous fiscal note assumptions.

Per Section 4 the Office of Equity must:

(3)(a) Analyze the information received as described in section one (1) of the bill and, as part of its annual report due to the legislature, provide:

- An overall evaluation of the process authorized by section 3 of this act;
- Recommendations for improving the process;
- Recommendations to further decrease barriers to participation; and
- Recommendations to increase the diversity of statutory entity applicants.

The Office of Equity believes it can accomplish this section using existing resources.

Section 5(1) by July 1, 2024, the Office of Equity must submit a report to the appropriate committees of the legislature that reports its findings under this subsection. This subsection requires the Office to consult with community-based organizations, and may consult with state agencies, departments, and offices that support the participation of people from underrepresented populations in policy-making processes who have direct lived experience, to identify:

- Barriers to access and meaningful participation by people from underrepresented populations who have direct lived experience in stakeholder engagement conducted by members of the legislature, legislative standing committees, and statutory entities;
- Tools to support access and meaningful participation in stakeholder engagement;
- Modifications to stakeholder engagement processes that promote an increase in access and opportunities for participation in policy-making processes. Any modifications identified may not restrict or otherwise prevent compliance with requirements under federal statute or regulations; and
- Any recommended rule or law changes to promote increased access and participation to the policy-making process.

Section 5(2) by November 30, 2024, the Office of Equity must develop a toolkit on best practices for supporting meaningful engagement of underrepresented individuals with direct lived experiences participating on statutory entities. The toolkit must include:

- Best practices for identifying and recruiting underrepresented individuals with direct lived experience;
- Best practices for appropriately and meaningfully engaging individuals with direct lived experience from underrepresented communities;
- Information on how to plan the work of a statutory entity using the principles of universal design;
- Best practices for onboarding all statutory entity members including how to support underrepresented individuals with direct lived experience in accessing compensation;
- A list of state entities for appointing authorities to consult with when making appointments to statutory entities.

The Office of Equity received funding in the 2023-25 Biennium to conduct community engagement and develop an equity toolkit similar to the toolkit described above. Based on this assumption, the Office of Equity believes Section 5 will not have a fiscal impact.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

## II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Office of the Lieutenant Governor (LTG) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

### II. B - Cash receipts Impact

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The implementation of 1541 S HB would require participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities.

Sec. 2 of this bill defines a statutory entity as any multimember task force, work group, or advisory committee, that is temporarily established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

Since this bill would affect temporarily established entities, this bill would have no impact on the Public Disclosure Commission.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Washington State Leadership Board (WSLB) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1 – The legislature intends to ensure meaningful participation from people with direct lived experience on each statutorily created or mandated multimember task force, work group, advisory committee board, commission, council, or other entity tasked with examining policies or issues that directly and tangible affect historically underrepresented communities.

Section 2 Definitions - A “statutory entity” is a multimember task force, work group, or advisory committee that is temporary; is established for the purpose of examining a particular policy or issue directly and tangible affecting a particular underrepresented population; and required to report to the legislature on the policy or issue it is tasked with examining.

Section 3 –

- Requires statutory entities to include at least 3 individuals from underrepresented populations who have direct lived experience with the identified issue and reflect the diversity of people with direct lived experience.
- If membership requirements require that additional members be appointed to statutory entities, the identified appointing authority must appoint additional members.
- Appointing authorities not in the legislative branch must consult with the relevant state entities identified in the toolkit created by the Office of Equity in Section 5.

Section 4 defines the required elements of reports the statutory entities are to provide to the Office of Equity. By October 31, 2026 and annually thereafter, the Office of Equity must analyze the information provided in the statutory entity reports and prepare its own report.

Section 5: By July 1, 2024, the Office of Equity must consult with state boards and commissions that support the participation of people from underrepresented populations to identify: Barriers to meaningful participation; tools to support access and meaningful participation; modifications to stakeholder engagement processes that promote or increase opportunities for participation; and any recommended changes to rule or law to promote increased representation. By November 30, 2024, the Office of Equity must develop a toolkit for best practices for supporting meaningful engagement.

Section 6 states the act applies prospectively only and not retroactively.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

No fiscal impact to the Office of the Secretary of State (OSOS) at this time.

The bill is prospective and would only apply to statutory entities created on or after January 1, 2025. The OSOS cannot estimate the costs of actions the legislature may take in the future but expects that the requirements for statutory entities outlined in the bill would be minimal and absorbed within existing resources.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The Attorney General's Office (AGO) Government Compliance and Enforcement Division (GCE) has reviewed this bill and determined it will not significantly increase or decrease the division's workload in representing the Office of Equity (OOE). Section 2 of this bill defines the term "statutory entity" and Section 3 establishes membership requirements for those entities. When making appointments to a statutory entity, the appointing authority can consult with OOE. Section 4 of this bill would require each statutory entity, except those administered by the legislature, to report certain information to OOE beginning January 1, 2025. The bill also requires OOE to analyze the submitted information and prepare a report to the legislature each year, beginning October 31, 2026. Section 5 would require OOE to consult with the State Boards and Commissions (SBOC) by July 1, 2024, and develop a best practices toolkit by November 30, 2024. GCE assumes OOE will seek minimal amount of legal advice relating to the toolkit in FY 2024 and FY 2025. Therefore, new legal services are nominal and costs are not included in this request.

The AGO Administration Division (ADM) has reviewed this bill and determined it will not increase or decrease the division's workload. Therefore, no costs are included in this request.

The AGO Solicitor General's Office (SGO) has reviewed this bill and determined it will not increase or decrease the division's workload. Therefore, no costs are included in this request.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 2 defines "[s]tatutory entity" to include any multimember task force, work group, or advisory committee that is temporary, established by legislation, established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and required to report to the legislature on that issue.

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities' work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. ## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This legislation would expand the membership of certain statutory entities to include individuals from underrepresented populations who have direct lived experience with the identified issue or issues that the statutory entity is tasked with examining. "Statutory entity" in this legislation is defined as any multimember task force, work group or advisory committee that is temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue. The Department of Financial Institutions (DFI) does not oversee any statutorily created entities which fit the above definition. This legislation will not have fiscal impact for DFI.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. ## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Economic & Revenue Forecast Council (ERFC) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

There were no changes in this version that effected OFM's fiscal impact assumptions from the previous version.

Engrossed Second Substitute version:

Section 2 defines "statutory entity" as any board, commission, work group, etc. that is temporarily established by legislation for the purpose of examining policy or issue affecting an underrepresented population.

Section 3 requires such statutory entities to have at least three members from underrepresented populations with lived experience.

Section 4 requires each statutory entity to report information to the Office of Equity.

There are no statutory entities, as defined by the bill, at or supported by OFM. Therefore, there is no fiscal impact.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

**Section 1 (4)** – The legislature intends to ensure meaningful participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining and reporting to the legislature on policies or issues that directly and tangibly affect historically underrepresented communities.

**Section 3 (1)** – The membership of any statutory entity must:

- (a) Membership of any statutory entity must include at least three individuals from underrepresented populations who have direct lived experience with the identified policy or issue that the statutory entity is tasked with examining.
- (b) Reflect, to the greatest extent possible, the diversity of people with direct lived experience with the identified issue or issues, including members who reside in urban and rural communities, and with differing cultural and economic circumstances.

**Section 3 (2)** – If compliance with Section 3 (1) requires that additional members be appointed to statutory entities created on or after the effective date of this section, the identified appointing authority for the statutory entity must be the appointing authority for the additional members. The additional members shall be voting members of the statutory entity.

**Section 3 (3)** – When making appointments to a statutory entity, appointing authorities:

- (a) May consult with the office of equity; and
- (b) Must consult with the relevant state entities identified in the toolkit created by the office of equity pursuant to section 5 of this act, except for appointing authorities from the legislative branch.

**Section 4 (1)** – Except as provided in subsection (2) of this section, beginning January 1, 2025, upon completion of its work and by the same date that the statutory entity's final report is due to the legislature, each statutory entity must report the following information to the office of equity:

- (a) A brief description of the statutory entity's purpose; and
- (b) The underrepresented population directly and tangibly impacted by its work, including:
  - (i) The number of members who are appointed to the statutory entity who have direct lived experience with the specific policy or issue that the statutory entity is tasked with examining;
  - (ii) Aggregate demographic information provided voluntarily and anonymously by members of the statutory entity including but not limited to disability, race, age, gender, sexual orientation, ethnicity, income, and geographic representation by county;
  - (iii) An analysis of whether and how implementation of the requirements in section 3 of this act reduced barriers to participation in policy-making decisions by members of underrepresented populations;
  - (iv) With full participation and leadership from members of the statutory entity who are from an underrepresented population and have direct lived experience, an analysis of how their participation affected the conduct and outcomes of the statutory entity as it accomplished its mission; and

# HCA Fiscal Note

Bill Number: **E2SHB AMS SGE 1541** HCA Request #: 24-133

(v) The number of members from an underrepresented population who have direct lived experience who qualified for stipends under RCW 43.03.220, the number of those who requested stipends to support their participation in the statutory entity, and the number who received stipends.

**Section 5** – The Office of Equity must develop a toolkit by November 30, 2024, on best practices for supporting meaningful engagement of underrepresented individuals with direct lived experience participating on statutory entities and transmit said toolkit to all state agencies.

## **II. B - Cash Receipts Impact**

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguish between one time and ongoing functions.*

Indeterminate

## **II. C – Expenditures**

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguish between one time and ongoing functions.*

**This fiscal note cost is indeterminate, but greater than \$50,000 to actual cost.**

The bill narrows statutory entity to non-permanent work groups, task forces, or advisory committees. The bill would include time-limited statutory workgroups. There are a number of non-permanent work groups staffed by the Health Care Authority (HCA). For example, the Children and Youth Behavioral Health Work Group, Substance Use Recovery Services Advisory Committee, and Crisis Response Improvement Strategy Committee, Designated Crisis Responder Workgroup, Re-entry Advisory Workgroup and sub-workgroups, Postpartum Outreach workgroup, Compact of Free Association Advisory Workgroup, Eligibility & Enrollment Workgroup, and others.

To implement this bill, each non-permanent statutory entity will incur additional costs to compensate the required new members per RCW 43.03.220 and may require additional full-time equivalent staff (FTE) support. Each workgroup will need FTE support for appointment and staffing of new members and reporting to the office of equity. It is not possible to quantify the stipend funding necessary to support the additional membership due to the breadth of policies examined by HCA's various entities, though additional membership will require additional resources and infrastructure.

It would be difficult to anticipate the number of non-permanent work groups, task forces, or advisory committees that may be statutorily created in the future, and HCA assumes that any subsequent staffing needs will be borne out by the fiscal impacts for those newly created entities.

The impact of new members and their voting decisions on policies that affect HCA's benefit costs is unknown.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

E2S HB 1541 increases access and representation in policy-making processes for people with direct lived experience.

- Section 1 sets forth legislative findings and intent.
- Section 2 defines direct lived experience, statutory entity, and underrepresented population. “Statutory entity” means a multimember task force, work group, or advisory committee that is temporary, established by legislation, established for the purpose of examining a specific policy or issue directly and tangibly affecting a particular underrepresented population, and required to report to the Legislature on that policy or issue.
- Section 3 states that the membership of any “statutory entity” must include individuals from underrepresented populations who have direct experience with the identified issue or issues that the statutory entity is tasked with examining.
- Section 4 creates reporting requirements for all “statutory entities.”
- Section 5 sets out requirements for the Office of Equity regarding participation of underrepresented populations in the policy-making process, including development of a toolkit.
- Section 6 states that the Act applies prospectively only.
- Section 7 names the act the “Nothing About Us Without Us Act.”
- Section 8 creates a new chapter in Title 43 RCW.
- Section 9 contains a null and void provision if funding is not provided.
- Section 10 provides an effective date of January 1, 2025, for sections 3 and 4.

There is no fiscal impact to Washington’s Lottery. The Lottery Commission is a statutorily created multimember permanent commission. The Lottery does not currently staff or facilitate any “statutory entity” as that term is defined in this bill.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 2 defines a statutory entity as a multimember task force, work group, or advisory committee that is temporary; is established for the purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population; and is required to report to the legislature on the policy or issue it is tasked with examining.

Section 3 requires statutory entities to include at least 3 individuals from underrepresented populations who have direct lived experience with the identified issue and reflect the diversity of people with direct lived experience.

Section 4 requires statutory entities to submit information to the office of equity when the entity completes its work.

Section 6 states the act applies prospectively only and not retroactively.

There is no fiscal impact to the Gambling Commission at this time, as the bill only applies to statutory entities created on or after January 1, 2025. The Gambling Commission anticipates the requirements would have minimal impact and would absorb reporting requirement work with existing resources.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Commission on Hispanic Affairs (CHA) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The engrossed second substitute bill does not change the fiscal impact for the Washington State investment Board (WSIB).

The term “statutory entity” is defined to include a multimember task force, work group, or advisory committee, that is temporarily established by legislation for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population and is required to report to the legislature on that issue.

The WSIB does not fall within the definition of “statutory entity” under the bill and there will be no fiscal impact.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The implementation of 1541 E2S HB would require participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities.

Sec. 2 of this bill defines a statutory entity as any multimember task force, work group, or advisory committee, that is temporarily established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

Since this bill would affect temporarily established entities, this bill would have no impact on the Board of Tax Appeals.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Office of Minority and Women's Business Enterprises (OMWBE) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

No Fiscal Impact: Because the Commission is a non-appropriated, non-allocated agency, all the costs associated with the contemplated legislation connected to the Commission will flow through the Commission's operating funds, therefore the Commission believes it has no fiscal impact on the state's budget.

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 2 defines "statutory entity" to mean any multimember task force, work group, or advisory committee, that is temporary, established by legislation, established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

Section 4 requires each statutory entity, upon completion of its work and by the same date that the statutory entity's final report is due to the legislature, to submit a report to the Office of Equity with information describing the statutory entity's purpose and the underrepresented population directly and tangibly impacted by its work.

The Office of Insurance Commissioner (OIC) does not have any statutory entities as defined in Section 2. Therefore, no fiscal impact to the OIC.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The implementation of 1541 E2S HB would require participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities.

Sec. 2 of this bill defines a statutory entity as any multimember task force, work group, or advisory committee, that is temporarily established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

Since this bill would affect temporarily established entities, this bill would have no impact on the Forensic Investigations Council.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1 is a new section describing the Legislature's intent to include individuals with lived experience in policy decisions around issues that directly impact them.

Section 2 is a new section defining terms.

Section 3 is a new section requiring membership of any statutory entity to include at least three individuals from underrepresented populations that have direct lived experience with the policy or issue the entity is examining.

Section 4 is a new section requiring all statutory entities to supply a report, as defined in this section, to the Office of Equity, beginning January 1, 2025, upon completion of its work and by the same date that the statutory entity's final report is due to the Legislature. The Office of Equity must compile and analyze these reports and submit them to the Legislature by October 31, 2026, and each October 31st thereafter.

Section 5 is a new section requiring the Office of Equity to submit a report to the appropriate Legislature committees with the findings described in this section by July 1, 2024. By November 30, 2024, the Office of Equity must develop a toolkit on best practices for supporting meaningful engagement of underrepresented individuals with direct lived experience participating in statutory entities. This section expires January 1, 2025.

Section 6 is a new section that states this act applies prospectively only and not retroactively. This act only applies to statutory entities, as defined in section 2 of this act, created on or after January 1, 2025, and does not apply to statutory entities created before this date.

Section 7 is a new section naming this act.

Section 8 is a new section adding sections 2 through 4 and 7 as a new chapter in RCW 43.

Section 9 is a new section and states this act is null and void if funding is not provided by June 30, 2023.

Section 10 is a new section and states sections 3 and 4 of this act take effect January 1, 2025.

The Department of Enterprise Services (DES) does not oversee any statutory entities as defined in Section 2.

The proposed legislation requires DES to supply a report to the Office of Equity. This work can be completed within routine business processes; therefore, this has no fiscal impact to DES.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

#### Section 1 (Intent):

(3) The legislature recognizes the importance of allies and finds that advocacy efforts should be led by people with direct lived experience. It is not the intention of the legislature to restrict the membership of statutory entities. Instead, the intent is to create space for those historically excluded from policy decision making.

(4) Therefore, the legislature intends to ensure meaningful participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities.

#### Section 2 (Definitions):

(1) "Direct lived experience" and "lived experience" has the meaning provided in RCW 43.03.220.

(2) "Statutory entity" means any multimember task force, work group, or advisory committee, that is temporary, and established by legislation, and established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue. "Statutory entity" does not include legislative select committees or other statutorily created legislative entities composed of only legislative members.

(3) "Underrepresented population" means a population group that is more likely to be at higher risk for disenfranchisement, due to adverse socioeconomic factors, such as unemployment, high housing and transportation costs relative to income, effects of environmental harms, limited access to nutritious food and adequate health care, linguistic isolation, and other factors that may be barriers for participating in policy decision making.

#### Section 3:

(1) The membership of any statutory entity must:

(a) Include at least three individuals from underrepresented populations who have direct lived experience with the identified issue or issues that the statutory entity is tasked with examining;

(b) Reflect, to the greatest extent possible, the diversity of people with direct lived experience with the identified issue or issues, including members who reside in urban and rural communities, and with differing cultural and economic circumstances.

(2) If compliance with subsection (1) of this section requires that additional members be appointed to statutory entities created on or after the effective date of this section, or to existing statutory entities for which new appointments are being made on or after the effective date of this section, the existing appointing authority must be the appointing authority for the additional members. If there are multiple appointing authorities for one statutory entity, they may collectively defer to one of the appointing authorities or to the office of equity to appoint any additional members as needed. The additional members shall be voting members of the statutory entity.

Section 4(1): Beginning July 1, 2025, each statutory entity must report to the office of equity:

(a) A brief description of the statutory entity's purpose; and

(b) The underrepresented population directly and tangibly impacted by its work

Section 7: This act may be known and cited as the nothing about us without us act.

\*\*\*\*\*

#### CHANGES MADE BY THE SUBSTITUTE BILL:

- Narrows the definition of "statutory entity" to only include multimember task forces, work groups, advisory committees, council, commissions, or other similar entities that are:

- Temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population; and

- Required to report to the Legislature on the issue it is tasked with examining.

- Removes the requirement to include a specified number of members from underrepresented populations depending on the number those communities impacted by the issue being examined by the statutory entity, and instead requires that statutory entities must include as members at least three individuals from underrepresented populations who have direct lived experience with the issue being examined.

- Removes the requirement that the Office be the appointing authority for any additional members appointed to statutory entities and instead requires that the statutory entity's existing appointing authority appoint the additional members; provided that if a statutory entity has multiple appointing authorities, those appointing authorities may collectively defer to one of the appointing authorities or the Office to appoint the additional members.

- Specifies that appointing authorities for statutory entities may consult with the Office when making any appointments to a statutory entity.

- Modifies the party responsible for submitting the August 30, 2024, and August 30, 2025, reports to the Office from each statutory entity to each entity providing administrative support to that statutory entity; or, if there is none, the statutory entity will report

## **II. B - Cash receipts Impact**

## **II. C - Expenditures**

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

The bill would expand any statutorily created or statutorily mandated multimember task force, work group, or advisory committee that examines polies or issues directly and tangibly affecting a particular underrepresented population to include members with lived experiences from those underrepresented populations.

The agency does not have any fiscal impact from this legislation.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The implementation of 1541 E2S HB would require participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities.

Sec. 2 of this bill defines a statutory entity as any multimember task force, work group, or advisory committee, that is temporarily established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

Since this bill would affect temporarily established entities, this bill would have no impact on the Board of Pilotage Commissioners.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. ## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The proposed legislation creates an indeterminate fiscal impact to the Washington State Patrol (WSP).

New Section 3(1) requires that membership of any statutory entity must include individuals from underrepresented populations who have direct lived experience with the identified policy or issue that the statutory entity is tasked to examine.

New Section 3(2) requires the existing authority to be the appointing authority for additional members if an agency identifies additional members are needed in applicable statutory entities. If there are multiple appointing authorities for one statutory entity, they may collectively defer to one appointing authority, a statutory state commission, board, or committee, or to the Office of Equity.

New Section 3(3) allows an appointing authority to consult with the Office of Equity. An appointing authority not in the legislative branch must consult with the relevant state entities identified in the toolkit created by the Office of Equity.

New Section 4(1) requires all statutory entities, except as identified in subsection 2 of this section, beginning January 1, 2025, upon completion of its work and by the same date that the statutory entity's final report is due to the Legislature, to report to the Office of Equity a report describing the entity's purpose; the underrepresented population directly and tangibly impacted by its work; member information given voluntarily and anonymously; analysis of participation by underrepresented members with lived experience and how that affected the conduct and outcomes of the statutory entity as it accomplished its mission; and stipend information.

New Section 4(2) requires statutory entities administered by the Legislature to collect the information identified in section 4(1), and provide the information to the secretary of the Senate and the chief clerk of the House of Representatives but they are not required to report the information to the Office of Equity.

New Section 5(1) requires the Office of Equity, by July 1, 2024, to consult with state boards and commissions that support the participation of people from underrepresented populations in policy-making processes, and may consult with other relevant state agencies, departments, and offices to identify access barriers; tools to support participation; modifications to stakeholder engagement to increase access and opportunities for participation; and recommendations to rule or law changes to promote increased access and participation to the policy-making process.

New Section 5(2) requires the Office of Equity, by November 30, 2024, to develop a toolkit on best practices for supporting meaningful engagement of underrepresented individuals with direct lived experience participating on statutory entities.

New Section 5(2)(a) requires the toolkit to be transmitted to all state agencies.

New Section 5(2)(b) outlines the requirements of the toolkit.

New Section 6 identifies that this act applies prospectively and not retroactively, and it only applies to statutory entities created on or after January 1, 2025.

New Section 9 identifies that if funding is not provided for this act by June 30, 2023, then this act is null and void.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

NONE

**II. C - Expenditures**

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

We assume the reporting requirements outlined in Section 4(1) will be completed by the Office of Culture and Engagement Commander. The time to complete this is unknown, but we do not expect it to be significant.

We are unable to determine if the Office of Equity will consult with us, per Section 5. Therefore, we are unable to determine a fiscal impact.

Section 5(2)(a) requires the Office of Equity to transmit the toolkit to all state agencies. We are unable to determine if this will create a fiscal impact as the toolkit has not been created yet.

Our Office of Culture and Engagement has been creating pro-equity, anti-racism (PEAR) teams, which includes members from historically underrepresented populations. Although this is not a statutory requirement, we are required by executive order to implement these teams. We did not include estimated costs in the expenditure table, but have shown them below for illustrative purposes.

We assume we will need an additional ten members to be appointed to our PEAR teams, and the additional members will qualify for stipend reimbursement under RCW 43.03.220. Our participation and child/adult care rates are \$25 per hour. Our travel rates are \$25 per meeting. If we have six meetings each fiscal year and each meeting is two hours each, this is an estimated \$7,500 for stipend payments per fiscal year.

Meeting Participation: \$25 rate x 10 members x 6 meetings x 2 hours/meeting = \$3,000  
Child/Adult Care: \$25 rate x 10 members x 6 meetings x 2 hours/meeting = \$3,000  
Travel: \$25 rate x 10 members x 6 meetings = \$1,500  
Estimated Total = \$7,500

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

WTSC does not host or support any group at this time that meets the definition of a statutory entity. There is no fiscal impact resulting from E2S House Bill 1541. The requirements may create additional fiscal impacts in the future if the legislature assigns responsibility for a statutory entity to WTSC.

AN ACT Relating to increasing access and representation in policy-making processes for people with direct lived experience; adding a new section to chapter 43.06D RCW; adding a new chapter to Title 43 RCW; and creating a new section.

Sec. 1: Legislative findings on underrepresentation of impacted communities in policy decisions.

Sec. 2: Definitions, including direct lived experience, statutory entity, and underrepresented population. Statutory entity means a multimember task force, work group, or advisory committee temporarily established by statute to examine policy or issue that affects underrepresented populations. "Statutory entity" means a multimember task force, work group, or advisory committee, that is:

(i) Temporary;

(ii) Established by legislation;

(iii) Established for the specific purpose of examining a particular policy or issue, which directly and tangibly affects a particular underrepresented populations; and

(iv) Required to report to the legislature on the policy or issue it is tasked with examining

Sec. 3: Membership of statutory entity requirements regarding membership of individuals from underrepresented populations who have lived experience.

Sec. 4: Each statutory entity must report to the office of equity upon conclusion of its work

Sec. 5: Office of equity must consult with boards and commissions that support participation of people from underrepresented populations in policy-making processes.

Sec. 6: Applies prospectively to statutory entities created on or after January 1, 2025.

Sec. 7: Name of act is nothing about us without us act.

Sec. 8: Sections 2-4 and 7 incorporated as a new chapter in Title 43 RCW.

Sec. 9: If funding for act is not provided by June 30, 2023, the act is null and void.

Sec. 10: Sections 3 and 4 take effect January 1, 2025.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The engrossed second substitute house bill does not change the fiscal impacts as previously submitted:

House Bill 1541 would expand any statutorily created board, commission, workgroup, etc. that examines policies or issues directly and tangibly affecting a particular underrepresented population to include members with lived experiences from those underrepresented populations.

The Office of Independent Investigations has a statutory requirement to include people with lived experiences specific to the work of the agency on their Advisory Board. This Board's administrative assistant will address reporting requirements in HB 1541 Section 4 by collecting, storing, and reporting data as required. This bill will not require the hiring of additional staff and therefore there has no fiscal impact.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill intends to address underrepresented individuals on statutorily temporarily created multimember task forces, work groups, or advisory committees by requiring those entities to have members who have direct lived experience to be appointed to the types of entities identified in the bill.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

No fiscal impact. The only source of impact would be for any new legislation that establishes a work group, task force, or advisory committee after January 1, 2025, that requires a report back to the Legislature. At that juncture, the Department of Labor & Industries would determine the fiscal impact of any newly created statutory entities and would request funding at that time.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill requires statutory entities to include at least three individuals from underrepresented populations who have direct lived experience with the identified policy or issue that the statutory entity is tasked with examining. Per the definitions in the bill, a statutory entity is a taskforce, workgroup, or advisory committee that is: 1) temporary; 2) established by legislation; 3) established for the purpose of examining a specific policy or issue; and 4) required to report its findings to the legislature.

Per section 2 (2) (a) Department of Licensing (DOL) does not have any statutory entities and therefore will not have fiscal impact for this bill. Our boards and commissions are defined by RCW 43.03.240, and not under RCW 43.03.220 as referenced in the bill.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The intent of the bill is to ensure meaningful participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities.

The definitions sections defines a statutory entity as any multimember task force, work group, or advisory committee, that is temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue. Per this definition, there is no fiscal impact to the Military Department.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Engrossed Second Substitute House Bill 1541 seeks to increase representation by requiring statutorily created entities involved in policy-making to include individuals with relevant lived experience.

Section 2(2)(a) defines "statutory entity" as any multimember task force, work group, or advisory committee, that is temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

The Public Employment Relations Commission (PERC) is a class 4 commission charged with preventing or minimizing interruptions growing out of public sector labor disputes and to assist public employers and employees to settle labor disputes through mediation and fact-finding. PERC is not temporary statutory entity established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population and therefore there is no fiscal impact to the agency.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1 of this bill requires participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, or advisory committee, tasked with examining and reporting to the legislature on policies or issues that directly and tangibly affect historically underrepresented communities. Section 3 requires appointing authorities to consult with the relevant state entities identified in the toolkit created by the office of equity except for appointing authorities from the legislative branch. Section 4 requires statutory entities administered by the legislature to collect information and provide it to the secretary of the senate and the chief clerk of the house of representees but are not required to report the information to the office of equity. Section 5 requires the office of equity to consult with state boards and commissions that support the participation of people from underrepresented populations in policy-making processes, and may consult with other relevant state agencies, departments, and offices to identify barriers to access and meaningful participation in stakeholder engagement by people from underrepresented populations who have direct lived experience.

The Washington State Rehabilitation Council for the Blind (SRC-B) is an advisory group of volunteers, appointed by the Governor, who provide counsel and guidance to the Department of Services for the Blind (DSB.)

The SRC-B reviews, evaluates, and makes recommendations to DSB and whose membership is governed by RCW 74.18.070 which requires a majority of the voting members have lived experience (i.e., blind, low-vision, deaf-blind). DSB does not anticipate any impact if this measure is adopted.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

E2SHB 1541 intends to ensure meaningful participation from people with direct lived experience on each statutorily created or statutorily mandated multimember task force, work group, advisory committee, board, commission, council, or other similar entity tasked with examining policies or issues that directly and tangibly affect historically underrepresented communities. (Section 1)

Section 2 defines terms such as "Lived Experience", "Statutory Entity", and "Underrepresented Population".

Section 3 states that the membership of any statutory entity must:

- \* include individuals from underrepresented populations who have direct lived experience with the identified issue or issues that the statutory entity is tasked with examining; and
- \* reflect, to the greatest extent possible, the diversity of people with direct lived experience with the identified issue or issues, including members who reside in urban and rural communities, and with differing cultural and economic circumstances.

The Office of Equity shall be the appointing authority for any additional members needed to comply with this section of the bill, and these additional members shall be voting members of the statutory entity.

Each entity providing administrative support to a statutory entity must report to the Office of Equity the following:

- \* A brief description of the entity's purpose;
- \* The underrepresented population directly and tangibly impacted by its work

WSAC has no responsibility for any group that meets the revised "statutory entity" definition and any cost impacts resulting from any statutory entity created in the future are assumed to be absorbed within existing resources, so this substitute bill has no fiscal impact.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Law Enforcement Officers' and Firefighters' Plan 2 Retirement Board (LEOFF) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 Membership of statutory entities must include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Department of Archaeology and Historic Preservation does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. ## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Compared to previous versions, the engrossed second substitute clarifies in Section 6 that the act only applies to statutory entities as defined in Section 2, created on or after January 1, 2025.

Given the establishment date, there would be no need for the University of Washington to conduct an audit of existing “statutory entities.” Therefore, there is no fiscal impact on the UW with the passage of this bill.

### II. B - Cash receipts Impact

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

1541 E2S HB doesn't have the following words at the beginning: "Strike everything after the enacting clause and insert the following.". Section 3(3) strikes "all appointing authorities". Also, removes section 3(4) regarding what members can't be denied to assist the member in successfully participating. Section 4(1) inserts beginning date of January 1, 2025. Section 5(4) inserts this section expires January 1, 2025.

CWU does not estimate any fiscal impact based on the language of this bill.

Summary from 2023 1541-S2.E AMS SGE S2561.1:

E 2S HB 1541 intends to ensure participation in statutory entities from people with direct lived experiences related to examining policies or issues that affect historically underrepresented communities.

Section 2 defines "direct lived experiences", "statutory entity", and "underrepresented population".

Section 3 provides requirements regarding the membership of any statutory entity.

Section 4 outlines reporting requirements of statutory entities.

Section 5 provides the requirements of the office.

Title 43 RCW is the establishment and delineation of responsibilities of the Washington State Office of Equity, under the executive brand, and it is our understanding that institutions of higher education are not subject to the executive branch rules unless specifically mentioned.

Given that CWU is not specifically mentioned, we anticipate no fiscal impact from this bill. Should the need arise to perform an audit of statutory entities, the expected cost would be negligible.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

E2S SHB 1541 relates to increasing access and representation in policy-making decisions for people with lived experience.

Section 2(2)(a) defines a statutory entity as a multimember task force, work group, or advisory committee, that is temporary; established by legislation; established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population; and required to report to the legislature on the policy or issue it is tasked with examining.

Section 3 creates new requirements for the membership of statutory entities.

Evergreen does not operate or coordinate any task force, work group, or advisory committee that meets the definition of a statutory entity. There is no fiscal impact on The Evergreen State College resulting from E2S SHB 1541.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Brief Summary of Amended Bill:

- Establishes certain membership requirements for task forces, work groups, and advisory committees that report to the Legislature on issues directly and tangibly affecting underrepresented populations.
- Requires informational reports, including the effectiveness of the membership requirements under the act.
- Requires the creation and distribution of education materials, such as a toolkit on best practices, to support meaningful engagement.
- In summary, the intent is to create space for those historically excluded from policy decision making, specifically those in underrepresented groups that are often most impacted by these policy decisions.

Agency Assumptions:

- We assume that entities subject to the provisions of the bill will be clearly identified in legislation, specifically stating (by RCW, if established) when an entity is subject to this requirement.
- We assume the office of equity will further coordinate with administering agencies (that support the participation of people from underrepresented populations in policy-making processes) to identify entities (task forces, work groups, and advisory committees) subject to the provisions of this bill.
- We assume that participation by underrepresented groups would be recognized upon legislative assignment and funded accordingly.

Fiscal Impact Analysis:

Our response to the original bill (in the 2023 session) was to indicate an indeterminant fiscal impact greater than zero but less than \$50K because it was unclear to what extent this bill would apply to institutions of higher education. With the clarifying amendment, it's now clear that the bill applies only to entities that are temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population and that is required to report to the legislature on that issue.

For this substitute version, Western Washington University did not identify any entities (e.g., task force, work group, or advisory committee) that would currently fall within the scope of this bill (i.e., no fiscal impact).

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This substitute bill restricts statutorily created boards, commissions, work groups, etc. that examine policies or issues directly and tangibly affecting a particular underrepresented population to include members with lived experiences from those underrepresented populations to temporary groups.

ARTS has no statutorily mandated boards, committees, work groups, etc that are tasked with examining policies or issues directly and tangibly affecting underrepresented populations. We anticipate no fiscal impact at this time.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 3 requires membership of statutory entities include members with direct lived experience in the topic for which the statutory entity as created. Members of the statutory entity must include representation by underrepresented communities and diversity in cultural and economic background.

Section 4 requires statutory entities to report on lived experience participation to the office of equity upon completion of the entities work.

Section 6 clarifies that the act only applies to statutory entities as defined in section 2, created on or after January 1, 2025.

The Eastern Washington State Historical Society (EWSHS) does not have temporary statutory work groups or advisory committees as defined in section 2 of the bill, so no fiscal impact is anticipated.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The County Road Administration Board is a Board who's duties are defined by RCW 36.78.070 as:

The county road administration board shall:

- (1) Establish by rule, standards of good practice for the administration of county roads and the efficient movement of people and goods over county roads;
- (2) Establish reporting requirements for counties with respect to the standards of good practice adopted by the board;
- (3) Receive and review reports from counties and reports from its executive director to determine compliance with legislative directives and the standards of good practice adopted by the board;
- (4) Advise counties on issues relating to county roads and the safe and efficient movement of people and goods over county roads and assist counties in developing uniform and efficient transportation-related information technology resources;
- (5) Report annually before the fifteenth day of January, and throughout the year as appropriate, to the state department of transportation and to the chairs of the house and senate transportation committees, and to other entities as appropriate on the status of county road administration in each county, including one copy to the staff of each of the committees. The annual report shall contain recommendations for improving administration of the county road programs;
- (6) Administer the rural arterial program established by chapter 36.79 RCW, the program funded by the county arterial preservation account established by RCW 46.68.090, and the emergency revolving loan program created in RCW 36.78.130, as well as any other programs provided for in law.

The proposed bill defines a "statutory entity" as a multimember task force, work group, or advisory committee, that is:

- (i) Temporary;
- (ii) Established by legislation;
- (iii) Established for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular policy or issue directly and tangibly affecting a particular underrepresented population; and
- (iv) Required to report to the legislature on the policy or issue it is tasked with examining.

The duties of the County Road Administration Board do not meet the bill's definition of a statutory entity. As a result, there is no fiscal impact from the bill.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Engrossed 2SHB 1541 establishes membership requirements for statutorily created or mandated multimember task forces, work groups, or advisory committees that are tasked with examining and reporting policies and issues that directly and tangibly affect historically underrepresented communities. Section 3 of the legislation defines the number of representatives from each underrepresented population that must be appointed to the entity. Section 4 of the legislation requires the entity to submit a report to the Office of Equity beginning January 1, 2025, detailing the entity's purpose and the underrepresented populations that are directly and tangibly impacted by its work.

Given the bill does not require this of Commissions, this bill has no fiscal impact for the WSTC.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Engrossed Second Substitute House Bill (E2SHB) 1541 would require any statutorily-created task force, work group, or advisory committee, that is established by January 1, 2025, to examine and report to the Legislature on policies directly and tangibly affecting more than underrepresented populations to meet certain membership. E2SHB 1541 further defines an underrepresented population and requires development of a toolkit by the Office of Equity.

The Pollution Liability Insurance Agency does not have any statutory entities, therefore, the provisions of E2SHB 1541 do not apply, and there are no fiscal impacts to the agency.

### II. B - Cash receipts Impact

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The proposed legislation concerns increasing access and representation for people with direct lived experiences who are underrepresented on policy-making multimember task forces, workgroups, or advisory committees temporarily established Statutory Entity.

Section 2(2) - "Statutory Entity" means any multimember task force, work group, or advisory committee, that is temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

The proposed legislation would have no fiscal impact to State Parks. Parks currently has no legislative mandated multimember task force, work group, or advisory committee that are temporarily established or currently in statute. If future legislation mandates Parks create a temporary multimember task force, work group, or advisory committee any fiscal impacts would be identified at that time.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Section 1: Provides the intent to increase and improve the participation of underrepresented populations on work groups, committees, etc.

Section 2: Defines “Direct Lived Experience,” Statutory entity” and “underrepresented population.”

Section 3: Requires at least three individuals from unrepresented communities be include on a statutory entity, directs how to handle when new members need to be appointed, allows consultation with the Office of Equity, requires consultation with certain state entities, and requires certain training for legislators, and requires this section to be included in the drafting of future state laws.

Section 4: Describes what must be reported to the Office of Equity, and when it must be reported.

Section 5: Describes what the Office of Equity must do in relation to best understanding the barriers to access from underrepresented communities.

We do not anticipate an impact to our agency since the definition of "Statutory entity" does not include any current RCO committees.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The engrossed second substitute of this bill will not create an immediate impact in the current biennium. However, it is unknown what the future impact maybe. Therefore, the fiscal note is indeterminate, and the Partnership may need to request additional FTEs and funding in the future if the new workload cannot be absorbed within existing resources.

Workload estimates are based on Lead Agency assumptions:

- 1) Identify all “statutory entities” at their agency, based on the definition in the bill.
- 2) Determine if each statutory entity examines policies or issues directly and tangibly affecting a particular underrepresented population.
- 3) For the entities that do, determine if there is representation currently on the entity from the underrepresented populations with lived experience, or if new members will need to be added.
- 4) Determine how many new members will need to be added to each entity to satisfy the lived experience membership requirements of this bill.
- 5) Determine costs associated with the additional members such as compensation or travel, based on the entity type, meeting frequency, or other considerations, and your agency’s cost assumptions around those items. The cost to find and appoint lived experience members will be born the Office of Equity.
- 6) There is also a reporting element to this bill. Agencies should determine if there are any fiscal impacts associated to meeting the reporting deadlines to the Office of Equity for each statutory entity.

Based on the second substitute bill, the Partnership currently does not have any statutory entities because none of our statutory boards/councils (listed below) are temporary.

The Puget Sound Partnership has three statutory boards/councils:

- The Puget Sound Leadership Council established in RCW 90.71.220.
- The Ecosystem Coordination Board established in RCW 90.71.250.
- The Science Panel established in RCW 90.71.270.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

It is possible that new temporary statutory entities may be created in the future.

Partnership staff conducted a simplified cost calculation for in person meeting attendance. For each member to attend the average one-day meeting is \$312.60 and for a two-day meeting \$546.60. The number of meeting participants with lived experience is unknown at this time, therefore, this section of the fiscal estimate is indeterminate.

It is estimated the Partnership will need .05 of an FTE for a Fiscal and Budget Analyst position to address the increased workload in processing payments, reconciliation, reporting, and assisting program managers as needed to answer questions and process paperwork associated with statewide vendor numbers and other payment questions. It is anticipated that this FTE will be needed starting July 1, 2026.

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

This bill affects temporary statutory entities established to examine an issue or policy directly affecting an underrepresented population and issue a report. It directs the makeup of the group to ensure representation of people with direct lived experiences/individuals from underrepresented populations, requiring at least three representatives from underrepresented populations be included. This would apply only to any future temporary workgroups requiring a report to the Legislature and established after January 1, 2025.

After review by the Employment Security Department (ESD) Legislative Relations group, it has been determined that the implementation of this bill will have no fiscal impact to ESD.

## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

The engrossed second substitute bill differs from the substitute bill in several ways, including:

The bill applies only to statutory entities created on or after January 1, 2025.

Directs statutory entities to submit a report to the Office of Equity by the same date the entity's final report is due to the legislature.

Directs the Office of Equity to create a toolkit on best practices for supporting meaningful engagement of underrepresented individuals with direct lived experience that are participating on statutory entities.

---

This bill would require “statutory entities” created after January 1, 2025 include members from underrepresented populations who have “direct lived experience” with the issues the statutory entity is tasked with examining.

#### SECTION 2

“Lived Experience” means direct personal experience in the subject matter being addressed.

“Statutory Entity” means any multimember task force, work group, or advisory committee that is temporary, established by legislation for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and is required to report to the legislature on that issue.

“Under-Represented Population” means a population group that is more likely to be at higher risk for disenfranchisement, due to adverse socioeconomic factors, such as unemployment, high housing and transportation costs relative to income, effects of environmental harms, limited access to nutritious food and adequate health care, linguistic isolation, and other factors that may be barriers for participating in policy decision making processes.

#### SECTION 3

Statutory entities must include at least three individuals from underrepresented populations who have direct lived experience with the identified policy or issue that the statutory entity is tasked with examining.

If compliance with provisions in the bill require that additional members be appointed to statutory entities, the identified appointing authority must be the appointing authority for the additional members. If there are multiple appointing authorities for one statutory entity, they may collectively defer to one of the appointing authorities, a statutory state commission, board, or committee, or the Office of Equity to appoint any additional members as needed. The additional members shall be voting members of the statutory entity.

#### SECTION 4

Beginning January 1, 2025, upon completion of their work and by the same date as their final report to the Legislature, each statutory entity must report to the Office of Equity the following information:

- A brief description of the statutory entity's purpose
- The underrepresented population directly and tangibly impacted by its work, including:
- The number of members who are appointed to the statutory entity who have direct lived experience with the policy or issue that the statutory entity is tasked with examining
- Aggregate demographic information of the statutory entity including but not limited to disability, race, age, gender, sexual orientation, ethnicity, income, and geographic representation by county

- Analysis of how implementation of the bill reduced barriers to participation in policy-making decisions by members of underrepresented populations
- Analysis of how members of the statutory entity who are from an underrepresented population and have direct lived experience affected the conduct and outcomes of the statutory entity as it accomplished its mission;
- The number of members from an underrepresented population who have direct lived experience who qualified for stipends, the number of those who requested stipends to support and the number who received stipends.

## SECTION 6

The bill only applies to statutory entities created on or after January 1, 2025.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

No cash receipts impact

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

No expenditure impact.

Section 3 of the bill would require that “statutory entities” have at least three individuals from underrepresented populations who have direct lived experience with the identified policy or issue that the statutory entity is tasked with examining. The definition of “statutory entities” is any multimember task force, work group, or advisory committee that is temporarily established by statute for the specific purpose of examining a particular policy or issue directly and tangibly affecting a particular underrepresented population, and that is required to report to the legislature on that issue.

It is expected that the number of “statutory entities” as defined in the bill would be minimal and that including members affected by the policy being examined would be consistent with current practices of the State Board. In addition, it is assumed that the legislation for most entities created will already require the inclusion of members that are affected by the specific policy or issue being examined. In cases where additional members are required, the appointments can be made by the existing appointing authority. Finally, since the statutory entities are defined as being temporary, cost, if any, would be for a limited duration.

Section 4 of the bill would require statutory entities to report to the Office of Equity upon completion of their work, and by the same date as their final report to the Legislature. It is expected that reporting cost would be minimal and can be accomplished within existing resources.
