## Part II: Narrative Explanation

### II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

*Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.*

Changes in SSB 5786 Compared to SB 5786.

This version removes mergers that would have resulted in the creation of new entities and removes share exchanges involving other entities.

Summary of SSB 5786.

One of the Office of Secretary of State's (OSOS) Corporations and Charities Division responsibilities is to register business entities in Washington State. This will make changes to how certain entities can merge.

Section 2 allows one or more domestic corporations to merge with one or more domestic corporations in accordance with a plan of merger, resulting in a surviving entity.

The balance of the bill defines the processes domestic corporations use to carry out the mergers.

### II. B - Cash receipts Impact

*Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.*

### II. C - Expenditures

*Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.*

This bill would not require any changes to the Office of the Secretary of State's (OSOS) Corporations and Charities Filing System (CCFS). Therefore, no fiscal impact to the OSOS.
