Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

No fiscal impact. This legislation will not measurably increase the appeal workload for the Office of Administrative Hearings (OAH).

Under the strict language of the bill, nothing in the bill should impact how OAH procures interpreters or translators. Although the bill creates a path for interpreters and translators to acquire a professional license, the bill does not prohibit unlicensed interpreters and translators from operating in Washington State. Similarly, bilingual staff at OAH would not be required to have a license.

The Department of Licensing does not anticipate any hearing referrals to OAH as a result of this law.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill adds a new chapter to Title 18 RCW and amends RCW 43.24.150 which creates a professional licensing program for spoken language interpreters and translators.

Section 10(1) requires that a licensed interpreter and translator advisory committee be created within the Department of Licensing (DOL) on July 1, 2025. The committee will include one member from the Department of Enterprise Services (DES).

Section 10(2) states that the committee member from DES must be appointed by the director of DES and then referred to DOL for appointment to the committee. Committee members must be familiar with the practice of spoken language interpreter services and able to provide DOL with expertise in carrying out the duties of this chapter.

Section 10(3) adds that DOL must regularly consult with the advisory committee on issues related to interpreter and translator licensure and renewal.

The workload associated with serving on the committee can be performed using existing resources.

There is no fiscal impact to the Department of Enterprise Services.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

The bill relates to creating a professional license for spoken language interpreters and translators.

The differences between ESSB 5995 and SSB 5995 include, but are not limited to:

- Adding language in section 5 about individuals holding an active certification from the certification commission for healthcare interpreters or the national board of certification for medical interpreters.
- Adding language in section 7(1) providing an exemption from the licensing requirement.
- Changing section 10(1)(c) regarding the advisory committee to three members who are health care providers, including at least one member representing a community health center and one member representing a university-based public hospital

These changes do not change the fiscal impact to the Department of Labor & Industries.

The bill directs Department of Licensing (DOL) to create a new language testing and licensing program and create a professional license for spoken language interpreters and translators by amending RCW 43.24.150 and adding a new chapter to Title 18 RCW. This new language testing and licensing program will replace the language testing and credentialing authority previously given to the Department of Social and Health Services (DSHS) under RCW 74.04.025.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

The Department of Labor and Industries (L&I) will implement the bill with existing resources.

- L&I will need to update policies and procedures to replace the current interpreter credentialing requirements from DSHS certified/authorized interpreters and interpreters with Certification Commission for Healthcare Interpreters (CCHI) and the National Board of Certification for Medical Interpreters (NBCMI) to only allow the DOL licensed interpreters.
- L&I will share current data specific to unfilled services with DOL and DOL will be required to post this information on their online resource page as stipulated in section 9 of the bill. This data is readily available and no additional resources are needed for L&I to generate these reports.
- Section 10(1e) requires an L&I representative to be a member of the new DOL advisory committee. L&I's Language Access program currently has a representative as part of the DSHS advisory committee for language access. This DSHS advisory committee will be concluded and a new member may be appointed for the new DOL committee effective July 1, 2025.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Comparison of ESSB 5995 to SSB 5995

Section 5 adds individuals holding an active certification from the certification commission for healthcare interpreters or the national board of certification for medical interpreters.

Section 7(1) exempts medical interpreters from licensing requirements

Section 10(1)(c) alters committee requirements to have 3 members who are health care providers, including at least one member representing a community health center and one member representing a university based public hospital

SSB 5995

Sections (1) through (12) Extends all deadlines.

Section 8 removes language requiring the department to work cooperatively with community colleges and educational institutions for training

Section 10(1) removes requirement that the interpreter and advisory committee consist of 14 members

Section 10(1)(f) requires 2 members of the advisory board to represent a community and technical college. There must be one member from west of the Cascades and one member from east.

Section 10(2) requires that the advisory board members from the community and technical college be appointed by the executive director of the state board of community and technical colleges

Section 13 - removed

Section 14 - removed

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

None.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

There is no fiscal impact to the Department of Children, Youth and Families (DCYF). Bill is not applicable to DCYF.
