Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Section 1: The legislature finds that, in the quest to ensure that all communities are and feel safe, it is important to take guidance from published model policies, comport with statewide standards and training on restraint tactics, and prohibit hog-tying and other similar tactics that are inhumane, outdated, and have led to the unnecessary loss of human life.

Section 2: New definition - "Hog-tie" or "hog-tying" means fastening together bound or restrained ankles to bound or restrained wrists. Clarifies that use of a product or device that does not require fastening together bound or restrained ankles to bound or restrained wrists is not a hog-tie or hog-tying.

Section 3:

- 1) Prohibits a peace officer from hog-tying a person or assisting in putting a person into a hog-tie.
- 2) Any identifiable on-duty peace officer who witnesses another peace officer engaging or attempting to engage in the hog-tying of another person has a duty to intervene when in a position to do so to end the hog-tie or attempted hog-tie, or to prevent the further use of hog-tying, and shall report such wrongdoing as provided under RCW 10.93.190.
- 3) A peace officer shall also render aid at the earliest safe opportunity in accordance with RCW 36.28A.445, to any person injured as a result of the hog-tie.

Section 4: this act takes effect immediately.

EFFECTS OF ESSB:

A striking floor amendment was added to the ESSB that amends the definition of hog-tie and hog-tying to mean fastening together bound or restrained ankles to bound or restrained wrists. Clarifies that use of a product or device that does not require fastening together bound or restrained ankles to bound or restrained wrists is not a hog-tie or hog-tying.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

UTC assumes there is no fiscal impact resulting from this legislation. The UTC is a limited law enforcement agency but does not commission employees as peace officers, nor does it enforce criminal law. UTC employees do not receive certification as criminal justice personnel. While the employees have badges for identification purposes, the employee do not detain individuals of the public.

This bill creates new sections of the law regarding the prohibited use of hog-tying tactics for law enforcement. This bill speaks specifically to peace officers.

Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

UTC assumes it will not have any expenditures as a result of this legislation.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

The changes in the engrossed substitute version of this bill do not change our assessment that there is no fiscal impact to the Washington State Patrol (WSP) from this legislation.

Subsection 2(1) prohibits a peace officer from hog-tying a person, or assisting another in doing so. Subsection 2(2) is added to this version of the bill stating that hog-tying is excessive force for purposes of RCW 10.93.190.

Section 2(3) defines the meaning of hog-tying, with changes in the definition made from the original bill.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

There are no cash receipts to the WSP from this legislation.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

Our policies are currently in line with the bill, but might need to be written somewhat differently after consultation with the Office of the Attorney General. Otherwise we believe our current practice aligns with the intent of the bill. If we do need to change policy, we believe the impact would be largely insignificant, with perhaps five hours of policy development, review, concurrence and publishing and perhaps taking one minute of presentation in current recurring training.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

There is no fiscal impact to the Department of Social and Health Services (DSHS). Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

ES SB 6009 prohibits the use of hog-tying; enacts and amends RCW 10.116.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

II. C - Expenditures

Agency expenditures necessary to implement this legislation (or savings resulting from this legislation), with the provisions of the legislation that result in the expenditures (or savings) identified by section number. Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates. Distinguished between one time and ongoing functions.

We assume this bill will have no fiscal impact to the Department of Corrections (DOC). DOC training is compliant in de-escalation tactics as defined in RCW 10.120.010 and “hog tying” is not a DOC restraint method.

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

As with previous versions of this bill, there is no expected fiscal impact to the University of Washington Police Department (UWPD), or the University as a whole, from ESSB 6009. Any needed updates to UWPD trainings and procedures can be done using existing resources.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

6009 ES SB replaces sections 2-4 with a new section added to chapter 10.116 RCW. Prohibiting a peace officer from hog-tying a person or assisting in putting a person into a hog-tie. Hog-tying will constitute the use of excessive force. Defines “hog-tie” or “hog-tying” for the purposes of this section.

CWU does not estimate any fiscal impact based on the language of this bill.

Summary from original 6009 SB is below:

Section 1: New: For criminal justice systems (including law enforcement) to secure public trust and ensure accountability, the legislature finds that it is important to discontinue practices/tactics that dehumanize and create unnecessary risk of harm and/or death to the people they serve. To ensure continuity and oversight in the standards applied across the profession, it's important that law enforcement is using up-to-date tactics that come with adequate training from the criminal justice training commission. This includes tactics that comply with the model use of force policies put forward by our state's attorney general. In the pursuit to ensure that all communities are/feel safe, the legislature finds that its important to take guidance from published model policies, comport with statewide standards and training on restraint tactics, and prohibit hog-tying and other similar tactics that are inhumane and outdated.

Section 2: Reenacting and amending RCW 10.120.010 and 2022 c 80 s 2 and 2022 c 4 s 2: (3) Defining “hog-tie” or “hog-tying” as connecting a hobble restraint to handcuffs or other types of restraints.

Section 3: New section added to chapter 10.120 RCW:

- (1) Peace officer is prohibited from: (a) hog-tying a person; (b) assisting in putting a person into a hog-tie.
- (2) Any identifiable on-duty peace officer who witnesses another peace officer attempting or engaging in hog-tying another person has a duty to intervene when in a position to do so to end the hog-tie or attempted hog-tie, or to prevent the further use of hog-tying. And shall report such wrongdoing as provided under RCW 10.93.190.
- (3) Peace officer shall also give aid at the earliest safe opportunity in accordance with RCW 36.28A.445, to any person injured because of the hog-tie.

Section 4: New: Would take effect immediately.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

SE 6009 prohibits the practice of hog-tying by law enforcement officers.

This version of the bill removes former sections 2 and 3.

The practice of hog-tying is already prohibited and the revisions in this version of the bill do not create any new costs for the college. There is no fiscal impact.

SB 6009 prohibits the practice of hog-tying.

Section 1 expresses the legislative intent to end the use of hog-tying and other similar tactics that are inhumane, outdated and have led to unnecessary loss of human life.

Section 2.3 defines hog-tying as “connecting a hobble restraint to handcuffs or other types of restraints.”

Section 3 prohibits a peace officer from hog-tying a person or assisting in putting a person into a hog-tie.

Section 3.2 states that any identifiable on-duty peace officer who witnesses another officer attempting to hog-tie another person has a duty to intervene when in a position to do so, and shall report such wrong-doing as provided under RCW 10.93.190.

Section 3.3 states that a peace officer shall render aid at the earliest safe opportunity to anyone injured as a result of the hog-tie.

Section 4 states that this act will take effect immediately if it becomes law.

The practice of hog-tying is already prohibited and adding this detail to the RCW creates no fiscal impact for the college.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Part II: Narrative Explanation

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

Differences between SB and ESSB:

Sections 2 and 4 have been removed from the original Senate Bill.

New Section 2 removes language instructing peace officers to intervene when witnessing other officers engage in “hog-tying.”

New Description:

Section 2 prohibits peace officers from hog-tying a person or assisting in putting a person into a hog-tie.

The above changes do not change the Department’s current operations, no fiscal impact for WDFW.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill as currently written would prohibit the use of any "hobble" type restraint that attaches to handcuffs that have already been applied for detention/arrest of a suspect.

If enacted, it would require minimal training for DNR Law Enforcement. This training would review the restrictions placed on an officer who might assist another officer in applying a "hobble" restraint device.

DNR Law Enforcement does not and has not utilized any forms of "hobble" restraints.

This version of the bill eliminates Section 3 from the previous version and updates definitions of "hog-tying."

Part IV: Analysis

A. SUMMARY OF BILL

Description of the bill with an emphasis on how it impacts local government.

CHANGES BETWEEN THIS VERSION AND PRIOR VERSION OF THE BILL:

The engrossed substitute amends the definition of hog-tie and hog-tying and provides exceptions on what constitutes a hog-tie and hog-tying. This does not change the costs discussed below.

SUMMARY OF THE BILL:

Sec. 2 adds a new section to RCW 10.116. A peace officer is prohibited from hog-tying a person or assisting in putting a person into a hog-tie. Hog-tying shall constitute the use of excessive force for the purposes of RCW 10.93.190. For purposes of this section, "hog-tie" or "hog-tying" means fastening together bound or restrained ankles to bound or restrained wrists.

B. SUMMARY OF EXPENDITURE IMPACTS

Expenditure impacts of the legislation on local governments with the expenditure provisions identified by section number and when appropriate, the detail of expenditures. Delineated between city, county and special district impacts.

The proposed legislation would require approximately \$105,644 in one-time costs for law enforcement training. The Local Government Fiscal Note Program assumes these costs would be seen in fiscal year 2025.

According to the Washington Association of Sheriffs and Police Chiefs (WASPC), all local law enforcement officers would need to go through training regarding the modification this bill would make to existing law enforcement duties. WASPC estimates that approximately 10 minutes of training would be required per law enforcement officer. This training would require a one-time cost of \$78,656 for cities and \$26,988 for counties, for a total one-time cost to local governments of \$105,644.

The 2022 Crime in Washington Report conducted by WASPC states that there are 6,647 commissioned officers in police departments and 2,249 commissioned officers in sheriff's departments, for a total of 8,896 commissioned law enforcement employees that would require training. The 2024 Local Government Fiscal Note Program Criminal Justice Cost Model estimates the average hourly salary (including benefits and overhead) for an officer employed by a city to be \$71, and the same figure for an officer employed by a county to be \$72.

Cities: 6,647 officers X 10 minutes X \$71 average hourly salary plus benefits and overhead = \$78,656

Counties: 2,249 officers X 10 minutes X \$72 average hourly salary plus benefits and overhead = \$26,988

Total: \$105,644

C. SUMMARY OF REVENUE IMPACTS

Revenue impacts of the legislation on local governments, with the revenue provisions identified by section number, and when appropriate, the detail of revenue sources. Delineated between city, county and special district impacts.

The legislation would have no revenue impacts for local governments.
